I Dakarai Hudson Apose This Propsal of The Federal Trade Commission To Create A National Do Not Call list that Would Extend To And Include Calls Made on Behalfe of Nonprofit Organization.

1.) Many states. including my own. already have do-not-cal laws. Why do we need the federal goverment creating another do-not-call law? Won't this just increase the cost to enforce such a law? As a taxpayer I do not believe it is nessary.
