Secretary of Federal Trade Com.
Room 159
Sixth + Pennsylvania Ave N.W.
Washington, D.C. 20580

Dear Sir:

I am extremely distressed to read that your commission is considering lowering the Made in the USA Standards. These foreign made items do not represent quality merchandise. I'm sick of filmsy materials and loose threads + buttons falling off etc, and I emplore you not to change the USA standards.

Sincerely,
Ruth H. Eikeland
