From the desk of

EDDIE CASILLAS

FEDERAL TRADE COMMISSION
RECEIVED DOCUMENTS
MAR - 2000
477093-6
SECRETARY

3/6/2000

Secretary,

This note is to confirm my and my wife's approval of The FTC proposal for implementing the privacy provision of the financial modernization bill passed by Congress last year.

In our view consumers should have a chance to tell the companies not to share non-public personal information with outside marketers.

Thanking you,

Eddie M. Casillas
