Re: Business Opportunity Rule, R511993

Dear Sir or Madam:

I am concerned about the proposed Business Opportunity Rule R511993.

I am a Mannatech distributer - my health has been greatly improved since starting to take these products. I am concerned for myself + others that we will not be able to continue with these products if this bill is passed in this form.

I know you mean well - but please

Consider the hardship you will put myself + others under if the bill is passed as it is.

Sincerely
