Parents, we collect your credit card information for 2 purposes:

1. to verify parental consent for your child to join BieberFever.com and have access to all its features, and
2. to process your membership fee.

By providing your credit card information you are giving consent for your child to use all features of Justin Bieber's fan club, BieberFever.com. At registration we will directly collect from your child their name, username, password, birthdate, and shipping address. The shipping address is **only** used to ship your child their welcome package from BieberFever.com, and the email address is **only** used to send your child Justin Bieber's newsletter, from which your child can unsubscribe, and automated messages from the site, such as instructions on recovering their password.

Your child's profile on BieberFever.com can not be viewed by other users of the site, although in commenting on the site, they may be able to post personally identifiable information viewable by other members of the fan club, which we will attempt to filter out. Just in case, though, we encourage you to educate your child **never to give out personal information online**. For more detailed information,
