Subject: Michael Morichelli Non-compete case

Good afternoon Mrs Lina Khan,

I hope you are doing well.

My name is Michael MORICHELLI, I am [REDACTED]
[REDACTED] I have never been sued in any country I lived before and it is a horrible experience.

I have been following you and this is why I am writing you today for help. My former employer [REDACTED] [REDACTED] which acquired the original company [REDACTED] I chose to work for, have filed a lawsuit against me in the [REDACTED] [REDACTED] [REDACTED] court for violating my non-compete. I worked for them as a sales representative for 27 months and I couldn't do it anymore.

I hired a law firm that costs me 100s of thousands of dollars to fight this multi-billionaire corporation who keeps intimidating, bullying me, etc... [REDACTED] It has so many bad effects on me and my family. It has been hurting terribly me and my family for the past 7 months.

[REDACTED] [REDACTED] purchased [REDACTED] on September 2020 and promised verbally the employees that nothing would change, All the [REDACTED] would have a job (1 year later they fired all the managers). They also told us our pay plan wouldn't change. We All signed the LCA without questions. A year later, things started changing... [REDACTED] [REDACTED] management team started raising their prices to an unimaginable level and I couldn't make the same earnings and this is the main reason I quit.

Most of our sales force resigned or got let go in the past 4 years. Some went to work for competitors others like me decided to go on their own venture.

It has been hell in my life and I desperately need help from the FTC for my family. This large corporation is willing to take everything my family and I built during our last 9 years.

I would definitely need your help and the FTC as well as the NLRB support with my case. A Class Action Lawsuit needs to be filed against this corporation as they are still hurting and bonding my former colleagues.

Thank you so much for your time and I look forward to hearing or reading from you.

Michael
