

**DAVID T. PAINTER**

David T. Painter is a Director at LECG, specializing in areas within the Antitrust and Finance/Damages Practice Group of the firm. Mr. Painter brings to LECG 25 years of experience in analyzing accounting and financial issues in antitrust matters for the Federal Trade Commission, with particular expertise in efficiency and failing company issues. During his time as the FTC's chief accountant, he participated directly in the investigation of dozens of merger and non-merger cases, and participated as a member of a trial team in many litigated matters.
