Added: Feb 24th 2010, 12:59

URL: <http://southjersey.craigslist.org/sls/1616396192.html>

Contact to: gigs-1616396192@craigslist.org

Company Name NSG Personnel

Job Category Sales; Pharmaceutical/Biotech

Position Type Full-Time, Employee

Salary \$ 40,000 to \$ 65,000 per year

Experience Unspecified

Desired Education Level Bachelor of Arts- Management

High School Diploma/GED- entry level/sales positions

Phone 1-866-810-3296 ext 150

Medical Device Sales / Pharmaceutical Sales / Account Executives / Sales Managers

We are seeking candidates for positions ranging from entry level all the way through to upper level management in the Pharmaceutical Sales / Medical Device Sales / DME Sales industry

Many top performing reps can expect quarterly and year end bonuses. Markets can be penetrated as new drugs roll out upon FDA approval providing a never ending streamine of new sales opportunities that can be attained within the same geographical marketplace.

Call 1-866-810-3296 ext 150 to speak with a recruiter

While many positions require some previous sales experience, there are also positions available for people with no prior experience. Paid training is typically provided in entry-level situations.

Sales Reps in the Pharmaceutical Sales / Medical Sales industry would call on health care professionals in assigned sales territory and communicate product advantages, features and benefits. Plays a vital role in fostering the companys reputation and image. Is responsible for selling and promoting products in a highly professional, ethical and knowledgeable manner. Complies with applicable laws in providing physicians with pharmaceutical samples and literature.

If you are interested in being an account executive, Pharma sales representative, Medical Sales representative account manager or have had an interest in sales please call today and speak with a representative.

Call 1-866-810-3296 ext 150 for complete job details

Requirements

All candidates should possess strong communication skills, demonstrate an ability to quickly learn new information and be able to verbally communicate a pattern of success. The required background varies widely amongst the hiring companies. Individuals have been either experienced pharmaceutical or medical equipment sales representatives, or very often, have been from a variety of other industries.

This includes, recent graduates, account representatives, real estate agents, mortgage brokers, customer service representatives, industrial sales executives and nurses. This industry will often hire people from a variety of academic and/or professional backgrounds
