Dear FTC:

I am writing to voice my concern over the unfair and unequal treatment with relationship to the Workforce Stabilization Plan. It is my understanding that all employees are to be treated in like manner in regards to our Phillips 66 YES (Your Extra Security) benefits. The WSP language goes back many years as a Phillips benefit and now Phillips 66 is trying to deny represented employees, full participation. This issue affects our pensions as well as incomes. I encourage the FTC to help us in our struggle to achieve equal participation in this plan.

Sincerely

Joseph D. Pettegrew
