

Hello,

I understand I need to be concerned about my right to purchase my contact lenses where I choose being limited. I am not in favor of this restriction. Currently I purchase my contact lenses online for a discounted price as compared to my eye doctor's office. I am able to order last minute and receive my lenses in days not weeks. I don't have to drive to the office and all of this saves time and money. I would be very disappointed if the new law was changed.

I am writing to inform you that I support the new law for contact lens wearers.

Thank you,
Pamela Donnelly
