

I am writing to ask you to please stop any moves to prohibit Americans to buy their contact lenses from whomever they choose. In the past, I had trouble getting a prescription from my doctor. He also wanted to charge a \$75.00 "fitting fee" even though I had gotten contact lenses from another Dr. in his office previously and had worn contacts for years. Please do not let them take us to the cleaners any longer!

Thank You,

Ann House
