Subject: I support the new Contact Lens Consumer Act

To Whom it may concern;

I fully support the Contact Lens Consumer Act. No one but me and my family should be able to make the decision on when and where to purchase my contact lenses. I shouldn't be held as an economic hostage, by the optometrists or the clinics they work for, when I schedule an eye exam. They shouldn't have the power to withhold my prescription and force me to purchase lenses from their establishment.

Sincerely,

The Rothermel's
