Subject: FAIRNESS TO CONTACT LENS CONSUMERS ACT OF 2003

Dear Commission

I am strongly in favor of this new law. For years I have had to argue with my optometrist to give me a copy of my eye prescription for me and my family and when I'd fail to get it I'd be subject to purchasing my lenses from him at a higher price. The cost of not allow me to shop for a better price has been felt deep in my pocket sometimes requiring me to go in debt or do without. We need to be able to shop for the best price and not be required to pay OUTRAGEOUS prices because they will not give us a copy of the prescription. THIS LAW IF FAIR AND A LONG TIME COMING.

Sincerely,
Jennie Cavin

Ca.
