**To:** CONTACTLENSRULE  
**Subject:** quick service!

To Whom It May Concern:

I cannot convey to you the necessity of being able to receive my cotact lenses overnight. If I am without lenses for more than a day my work is compromised, as well as my ability to do that job properly. Please do not burden the existing process. A valid prescription is a valid prescription. To para phrase a famous marketing campaign - JUST FILL IT!!

Thank you.

Mary Eileen Casey

25 year contact lense wearer and longtime 1800contacts customer
