Subject: Support for Contact Lens Law

The Federal Trade Commission/Office of the Secretary:

I support the new Contact Lens Law. As a contact lens consumer, I want to have the right to purchase my lenses from whomever I choose. My mail-service contact lense provider is convenient and saves me money. In the past, my eye doctor has attempted to limit my choice of where I purchase my lenses. He has refused to provide proof of my prescription to the mail-service lens provider.

Sincerely,

Andrew J. Reser
