Subject: comments on proposed rule

Thanks to the FTC for protecting my consumer rights with regard to eye doctor prescriptions!!

I have been a very happy customer of 1800 Contacts for several years and have always counted on their quick turnaround. My eye doctor provides the prescription and I order from 1800 Contacts on-line which saves me both money and time as my eye doctor generally does not carry my prescription in stock anyway. I travel frequently, and count on this convenient service that 1800 Contacts provides.

I certainly hope that the provisions of the new proposed rule will not hinder this convenient process.

Sincerely,
Jeff Burnison
