Subject: Contact Lens Rule, Project No. 411002

In regards to online ordering of contact lenses and not requiring to purchase or obtain contact lenses from my dr, consumers such as myself need to have a right to expect convenience and fast service when ordering contact lenses.

It is important to me to have the freedom to obtain my lenses quickly and easily. Having to wait days for my lenses could be a problem, especially if circumstances require next day service.

I oppose the part of the proposed rule which could make me wait days for my lenses.

Thank you.
