**Subject:** Fairness to Contact Lens Consumers Act

To whom it may concern,

I oppose that part of the proposed rule which could make me wait days for my lenses. It is important to me to have the freedom to obtain my lenses quickly and easily. Having to wait days for my lenses could be a problem for me, especially when the circumstances require next day service. This is an example of regulating becoming a barrier for versus a benefit to the consumer.

Sincerely,

Christopher T. Carles
