Subject: Contact Lens Consumers Act of 2003

To: Office of the Secretary
Federal Trade Commission

I strongly support the Contact Lens Consumers Act of 2003. It is important to me to receive a copy of my contact lens prescription from my eye doctor, and have the right to purchase contact lenses according to my choice. It is important to me that purchasing contact lenses is convenient and easy. I am against any limitations that would make it less convenient for me to buy new lenses.

Sincerely,

Teresa Quinn
