Subject: New Contact Lens Law

I support the law which give me the right to get a copy of my contact lens prescription. My doctor gives it to me annually after my exam, both for me glasses and for my contacts. He agrees that I can mail order the contact lenses from 1-800-CONTACTS or that I may order them from COSTCO OR SAM'S OR WALMART. Please me name as one who endorses this new law.

Cordially,
