Subject: Proposed Rule Change

I had recently learned that there is a proposal currently under discussion that would place restrictions on where and when I would be able to purchase my contact lenses. I feel that it is up to each individual consumer to decide how their eye care needs are met. As long as we are willing to pay for the products and services, there should be no restrictions on when we are able to purchase.

Please vote no on the proposed change.

Thank you for your time and assistance.

Sincerely,

Rebecca S. Tanner
