Subject: Contact lens law

I support the new Contact Lens Law. It has permitted me to purchase my contact lenses at half the price offered by my eye doctor. By obtaining my prescription, I am able to purchase my contact lenses through either Costco or 1-800-Contacts, trouble free and with total assurance that I have the same quality lenses as I would have through the eye doctor. This law must remain as it is.

I am absolutely against any eye doctors' lobby efforts to change, alter or repeal this law. My own eye doctor has always fully cooperated and given me my prescription without any trouble or questions.

Thank you for your attention.
