Contact Lens Rule, Project No. 411002
The Federal Trade Commision/Office of the Secretary, Room 149-H

I oppose the part of the proposed rule which could make me wait days for my contact lenses. There are times when I need them right away and I don't think it is fair to hold them up. I cannot even get them quickly from my doctor, so I do not want to wait from another source. My doctor does not keep them in his office and it takes longer to get them from him than my mail in source.

I hope you will not pass this proposed rule as it stands.
