Dear Sirs,

I wish to thank you for passing the Fairness to Contact Lens Consumers Act of 2003 and urge you not to rescind this act.

I need to be able to choose when and where to purchase contact lenses and this act provides me that opportunity.

The ability to choose provided in this act will help to keep costs lower than in a secluded market controlled by eye doctors.

I deserve the same rights as those who wear eye glasses. The right to choose my contact lens provider should not be taken away.

Sincerely,
Peggy M. Kindopp
