Subject: [Docket No: 3084-AA95];[FR Doc: 04-02235];[Page 5439-5450]; Trade regulation rules: Ophthalmic practice rules; contact lens prescriptions

I want to continue to have the right to purchase my contact lenses as I please and to be able to shop for the best price. I do not want to buy them from my eyedoctor or the business her refers me to. I have had great success and saved a lot of money by purchasing my lenses on line.
