

Changes in Federal Law require us to separate all contact lens professional fees from the material fees, and collect those fees the day of the exam.

What does this mean to you? Basically, nothing. Our contact lens fees are exactly the same as always. In fact, we haven't raised our contact lens fees in over 5 years. As a matter of fact, if you purchase more than just 2 boxes of disposable contacts, your cost will actually go down.

At Maplewood Eyecare, four (4) boxes of standard disposable contacts are less than 1-800 Contacts, and even less than Walmart. It doesn't make sense to us that you would want to get your lenses somewhere else. We don't charge sales tax and we can even mail 4 boxes no charge first class mail, or for \$5.00, we will mail them Priority Mail With Confirmation.

STANDARD DISPOSABLE

Exam + 2 boxes = \$145

Exam + 4 boxes includes a \$5 instant rebate = \$180

Exam + 8 boxes includes a \$10 instant rebate and a \$30 mail in rebate = \$225 after rebates

FOCUS NIGHT & DAY

Exam + 2 boxes = \$244

Exam + 4 boxes includes a \$10 instant rebate = \$364
