To Whom It May Concern:

I like your idea, FACTA Prescreen Rule Project No. R411010, to choose if you want to get rid of junk mail, the credit and insurance junk mail. The reason why I think that this is a good idea is because my mother always gets junk mail, and it annoys her. For example she gets credit cards all the time, so she has to throw them away because she doesn't need it. But before she throws them away she cuts them up and cuts up her name so no one else can use them and her having to pay for someone else's bill. It's just a hassle, and this law can help prevent fraud. I really hope this law passes. Thank you for listening.

Sincerely,
