F.T.C.

I am sick and tired of all the Spam I get in my e-mail every day. I receive about 60 or 70 a day from people who don't have a return address.

Why don't you do something about it? At least make them have a return address so we can send it back and unsubscribe from them.

Let us report them ,and you Fine them, just like you do the the Tele-marketers on the Phone. Do your JOB for once.
