Spyware and adware is just another nuisance that I remove on a regular basis from my computer. The sad part is I spend way too much time keeping viruses, and other invading programs out of my computers. I am a small company with limited time and resources and the amount of time I have to spend maintaining my computers to the constant threat and invasions of adware is absurd. STOP THE INVASIONS, STOP THE PROLIFERATION OF SPYWARE ! WE DID NOT INVITE YOU KNOWING TO TAKE CONTROL OF CERTAIN PROGRAMS IN OUR COMPUTERS.
