Charles McGibbon

The Federal Trade Commission  
600 Pennsylvania Avenue NW  
Washington, D. C., 20580

Dear Sir

I have read reports how the Federal Trade Commission is considering allowing companies to deliver "pre-recorded message telemarketing" to American homes. People on the so-called "Do not call" list would still receive these messages. I am opposed to this idea. Thank you for your time and cooperation.

Yours Truly,

A handwritten signature in cursive script that reads "Charles McGibbon".

Charles McGibbon
