**Re: Prerecorded Message EBR, Telemarketing Project No.  
R411001**

**To Whom It May Concern:**

**Please do not allow companies to call us with pre-recorded messages. The quality of our lives has improved as a result of the Do Not Call List. We no longer have to endure telemarketers calling our home and disturbing us for no reason. Any changes to the list should be made to protect consumers, not benefit corporations. I do not want to be bothered by salespeople in my home—whether the salespeople are live or prerecorded. Please, please, please protect consumers from unwanted solicitations.**

**Thank you,**
