Dear Sir or Madam:

We have reviewed the comments on Proposed Regulation P {Privacy of Consumer Financial Information} supplied to our department by Trans Union. The Oakland County Sheriff's Department utilizes data information supplied to Trans Union for the purposes of locating fugitives, suspects, witnesses, or to confirm addresses. This data has proven to be a valuable resource in law enforcement's effort to serve the public.

It is the position of the Oakland County Sheriff's Department to oppose regulating "header data" as public information, and, therefore, support the position of Trans Union.

Sincerely,

A handwritten signature in black ink that reads "Michael J. Bouchard". The signature is written in a cursive, flowing style.
