FEDERAL TRADE COMMISSION

PETITION OF HEXION LLC AND HUNTSMAN CORPORATION  
TO REOPEN AND SET ASIDE ORDERS

Hexion LLC ("Hexion") and Huntsman Corporation ("Huntsman"), Respondents *In the Matter of* Hexion LLC and Huntsman Corporation, FTC File No. 0710212, FTC Docket C-4235, respectfully request that the Federal Trade Commission ("Commission") reopen and set aside the Commission's Decision and Order ("Consent Order")<sup>1</sup> and Order to Maintain Assets ("Asset Maintenance Order")<sup>2</sup> (collectively, the "Orders"),<sup>3</sup> issued on November 13, 2008 and October 2, 2008 respectively, because the parties have terminated the merger and withdrawn their Premerger Notification filings.

<sup>1</sup> Attached as Exhibit 1.

<sup>2</sup> Attached as Exhibit 2.

<sup>3</sup> Capitalized terms in this Petition not otherwise defined have the meanings assigned to them in the Consent Order.

Hexion and Huntsman make this request pursuant to Section 5(b) of the Federal Trade Commission Act, 15 U.S.C. § 45(b), and Section 2.51 of the Commission's Rules of Practice and Procedure, 16 C.F.R. § 2.51, because termination of the merger agreement and withdrawal of the parties' HSR filings are significant changes in fact that justify setting aside the Orders. In addition, the Orders no longer serve the public interest. Indeed, their only possible effect would be to harm competition.

**I. Background**

Hexion and Huntsman entered into a Merger Agreement on July 12, 2007 pursuant to which Hexion was to acquire all of Huntsman's outstanding voting securities. Following an investigation under the Hart-Scott-Rodino Act, the Commission entered into a consent agreement with the parties permitting the transaction to proceed subject to completion of a divestiture specified in the Order and other actions.

The Commission's Complaint alleged that the merger would violate Section 7 of the Clayton Act, as amended, 15 U.S.C. § 18, and Section 5 of the FTC Act, as amended, 15 U.S.C. § 45, in two relevant markets: specialty epoxy resins and methyl diisocyanate (MDI).<sup>4</sup> The Orders were intended to eliminate the risk of these alleged anticompetitive effects. Similarly, the European Commission ("EC") issued a decision on June 30, 2008 permitting the transaction to proceed, subject to Commitments previously submitted by Hexion.<sup>5</sup>

<sup>5</sup> Confidential (EC) Decision of June 30, 2008 in Case COMP/M.4835 – *Hexion/Huntsman*, attached as Confidential Exhibit 3.

**A. Specialty Epoxy Resins**

The Commission defined specialty epoxy resins as “value added high performance epoxy resin products, including, but not limited to, blends, formulations, advanced resins, as well as multifunctional resins.”<sup>6</sup> To remedy the alleged anticompetitive effects of the transaction, the Consent Order requires Hexion to divest its Specialty Epoxy Resin Product Assets to Spolek Pro Chemickou A Hutni Výrobu, Akciová Společnost (“Spolek”), a Czech epoxy resin manufacturer, within 10 days of closing the Huntsman acquisition. The Commitments Hexion made to the EC required Hexion to divest the Specialty Epoxy Resin Assets to a purchaser approved by the Commission. On October 1, 2008, the EC issued a decision approving Spolek as a purchaser of Hexion’s Specialty Epoxy Resin Assets.<sup>7</sup>

With annual revenues of approximately \$400 million, Hexion’s specialty epoxy resin facilities in the United States and Germany include four manufacturing sites and three research and development facilities. The business offers specialty and high performance resins and resin systems, including epoxy resin systems used to make wind turbine blades. The business exports a substantial volume of resin and resin systems from the United States and Germany.

The Asset Maintenance Order requires Hexion “to maintain the full economic viability, marketability and competitiveness of the Specialty Epoxy Resin Product Business through its full and complete transfer to the Acquirer, to minimize any risk of loss of competitive potential for

the Specialty Epoxy Resin Product Assets. . . .”<sup>8</sup> Hexion’s Commitments to the EC also require Hexion to hold and operate the specialty epoxy resin business separate from Hexion.<sup>9</sup>

The Orders also require Hexion to engage an Interim Monitor selected by the Commission to oversee Hexion’s compliance with the Orders.<sup>10</sup> The Commitments to the EC require Hexion to engage a Monitoring Trustee for the same purpose.<sup>11</sup>

## **B. MDI**

MDI is a chemical intermediate used in the manufacture of polyurethane resins. Hexion supplies formaldehyde, a key ingredient of MDI, to Huntsman and two other MDI manufacturers. The Commission alleged that Hexion is privy to “competitively sensitive non-public information from three of the four MDI producers in North America.”<sup>12</sup> Consequently, the Commission alleged that the transaction could “lessen competition . . . by increasing the likelihood of coordinated interaction among competitors in the market for MDI.”<sup>13</sup>

To remedy any alleged anticompetitive effects of Hexion owning the largest MDI producer while supplying two others, the Orders bar both Hexion and Huntsman from using “MDI Non-Public Information to the detriment of the research, Development, manufacturing, marketing, or sale of MDI Products of the [other] MDI Producers. . . .” and limits Hexion’s formaldehyde business’s ability to distribute information about MDI within the company.<sup>14</sup>

### C. The Parties Have Terminated the Transaction

Hexion filed suit in Delaware Chancery Court on June 18, 2008 seeking a judgment that the transaction could no longer be completed because of deteriorating financial conditions. On September 30, the Vice Chancellor ordered Hexion to take all steps necessary to close the transaction. Hexion and Huntsman attempted to close the transaction, but were unable to do so when the banks that had agreed to finance the transaction refused to do so. On December 13, Huntsman exercised its right to terminate the merger agreement in connection with a comprehensive settlement of the litigation between the parties.<sup>15</sup> Hexion withdrew its HSR filing on January 8, 2009; Huntsman withdrew its filing on January 9, 2009.<sup>16</sup> The Commission acknowledged receipt of the letters and stated that if “the parties decide to proceed with the transaction at some future date a new premerger filing and filing fee would be required.”<sup>17</sup> The parties no longer intend to close the transaction.<sup>18</sup>

Hexion notified the EC on December 16, 2008 that Huntsman had exercised its right to terminate the transaction, and that, as a result, Hexion’s obligations under the Commitments

were no longer in force.<sup>19</sup> Hexion therefore requested the EC to discharge the Monitoring Trustees, which it did on December 19, 2008.<sup>20</sup>

## **II. Changed Facts and the Public Interest Warrant Setting Aside the Orders**

### **A. Standard for Reopening and Modification**

Pursuant to Section 5(b) of the FTC Act, 15 U.S.C. § 45(b), and Section 2.51(b) of the Commission's Rules of Practice, 16 C.F.R. § 2.51(b), the Commission shall reopen an order in response to changed conditions of fact. A showing of changed fact is sufficient to require reopening when a request "identifies significant changes in circumstances and shows that the changes eliminate the need for the order or make continued application of it inequitable or harmful to competition."<sup>21</sup>

The Commission also may modify an order when a respondent makes "a *prima facie* showing of a legitimate 'public interest' reason or reasons justifying relief."<sup>22</sup> The Commission then will balance the reasons favoring the requested modification against any reasons not to make the modification. The Commission also will consider whether the particular modification sought is appropriate to remedy the identified harm.<sup>23</sup>

<sup>19</sup> Letter from Jonathan Uphoff, Counsel for Hexion, to Olivier Guersent, Acting Director, Markets and cases V: Transport, Post and other services, European Commission (December 16, 2008), attached as Exhibit 10. Fulfillment of Commitments to the EC is a condition to the EC's approval of the transaction. Therefore, if the transaction does not occur, Hexion need not fulfill the Commitments.

## A. Changed Conditions of Fact

Commission precedent makes clear that termination of a transaction is a change in fact that justifies vacating the Orders because it eliminates any need for them.<sup>24</sup> Indeed, that change in fact actually makes the Orders harmful to competition because they place unnecessary burdens on the parties that their competitors need not bear:

- Hexion's specialty epoxy resin business lacks its competitors' flexibility to cope with a weak and deteriorating economy. Demand for Hexion's specialty epoxy resin products has declined substantially since entry of the Orders.<sup>25</sup> The Orders could limit Hexion's ability to close or reconfigure facilities or take other steps to reduce costs.
- Hexion must compensate an Interim Monitor whose services are no longer needed to ensure the success of the divestiture.<sup>26</sup>
- Both parties must prepare compliance reports every sixty days, which incurs legal fees and takes up management time.<sup>27</sup>
- Hexion cannot sell all or some of its specialty epoxy resin assets.
- Both parties must establish and monitor compliance with policies that control the flow of MDI-related information within the companies, which could put Hexion at a disadvantage against formaldehyde competitors and could put Huntsman at a disadvantage against MDI competitors.

---

<sup>24</sup> Johnson & Johnson, Docket No. C-4154, Order Reopening and Setting Aside Order (May 25, 2006) at 4 (stating that "there is no reason to keep the Order in place" because "the basic premise of the Order, the unlawful acquisition that it was designed to remedy, did not come to pass").

<sup>25</sup> Exhibit 5 at ¶ 9.

<sup>26</sup> The EC discharged the Monitoring Trustee on December 19, 2008.

<sup>27</sup> The parties must file compliance reports every 60 days until the divestiture is completed and annually thereafter. As there will be no divestiture, absent relief, the parties will have to file compliance reports every 60 days for the next 10 years.

The parties will have to bear those costs for many years to come because the Orders do not terminate by their own terms until 2018.<sup>28</sup>

### **B. Public Interest**

The public interest requires setting aside the Orders. There is no need to balance the parties' legitimate interest in avoiding the costs imposed by the Orders against the public interest because, as the parties have terminated the transaction, there is no public interest that is served by keeping the Orders in place. Rather, the public interest is best served by setting aside the Orders. "[C]learing the marketplace of outdated orders can often be one of the most pro-competition and pro-consumer activities an agency can perform."<sup>29</sup> The parties' request to set aside the Orders and eliminate unnecessary costs and burdens is therefore consistent with the "pro-competition and pro-consumer" goals of the Commission.<sup>30</sup>

The public interest would not be served by preservation of the Orders even if the parties were to resuscitate their plan to merge because the parties have withdrawn their HSR filings. While the parties have no intention of completing this transaction, if they were to negotiate a new merger agreement, they would have to submit new HSR filings and observe the applicable waiting period.

### **III. Conclusion**

For the foregoing reasons, Hexion and Huntsman respectfully request that the Commission set aside the Orders in their entirety.

Not later than ten (10) days after the Closing Date, Respondents shall grant a release to each Third Party that is subject to an agreement as described in Paragraph II.F. that allows the Third Party to provide the relevant Manufacturing Technology, Product Intellectual Property, or Product Licensed Intellectual Property to the Acquirer. Within five (5) days of the execution of each such release, Respondents shall provide a copy of the release to the Acquirer for the relevant assets.
- H. Respondents shall:
1. for each Specialty Epoxy Resin Product, for a period of at least eighteen (18) months from the relevant Closing Date, provide the Acquirer with the opportunity to enter into employment contracts with the Specialty Epoxy Resin Product Core Employees. Failure by Respondents to provide the Product Employee Information for any Specialty Epoxy Resin Product Core Employee within the time provided herein shall extend the Specialty Epoxy Resin Product Core Employee Access Period(s) with respect to that employee in an amount equal to the delay;
  3. during the Specialty Epoxy Resin Product Core Employee Access Period(s), not interfere with the hiring or employing by the Acquirer of the Specialty Epoxy Resin Product Core Employees related to the particular Specialty Epoxy Resin Products and assets acquired by such Acquirer, and remove any impediments within the control of Respondents that may deter these employees from accepting employment with the Acquirer, including, but not limited to, any noncompete or nondisclosure provision of employment with respect to a Specialty Epoxy Resin Product or other contracts with Respondents that would affect the ability or incentive of those individuals to be employed by the Acquirer. In addition, Respondents shall not make any counteroffer to such a Specialty Epoxy Resin Product Core Employee who has received a written offer of employment from the Acquirer;

*provided, however,* that, subject to the conditions of continued employment prescribed in this Order, this Paragraph II.H.3. shall not prohibit Respondents from continuing to employ any Specialty Epoxy Resin Product Core Employee under the terms of such employee's employment with Respondents prior to the date of the written offer of employment from the Acquirer to such employee;

Such incentives shall include a continuation of all employee compensation and benefits offered by Respondent Hexion until the Closing Date(s) for the divestiture of the Specialty Epoxy Resin Product Assets has occurred, including regularly scheduled raises, bonuses, and vesting of pension benefits (as permitted by Law);

*provided, however,* that, subject to those conditions of continued employment prescribed in this Order, this Order does not require nor shall be construed to require Respondents to terminate the employment of any employee or to prevent Respondents from continuing to employ the Specialty Epoxy Resin Product Core Employees in connection with the Acquisition; and

5. for a period of one (1) year from the relevant Closing Date, not:
  - a. directly or indirectly, solicit or otherwise attempt to induce any employee of the Acquirer with any amount of responsibility related to a Specialty Epoxy Resin Product ("Specialty Epoxy Resin Product Employee") to terminate his or her employment relationship with the Acquirer; or
  - b. hire any Specialty Epoxy Resin Product Employee; *provided, however,* Respondents may hire any former Specialty Epoxy Resin Product Employee whose employment has been terminated by the Acquirer or who independently applies for employment with Respondent, as long as such employee was not solicited in violation of the nonsolicitation requirements contained herein;

*provided, however,* Respondents may do the following: (1) advertise for employees in newspapers, trade publications or other media not targeted specifically at the Specialty Epoxy Resin Product Employees; or (2) hire a Specialty Epoxy Resin Product Employee who contacts Respondents on his or her own initiative without any direct or indirect solicitation or encouragement from Respondents.

- I. Respondents shall require, as a condition of continued employment post-divestiture of the assets required to be divested pursuant to this Order, that each Specialty Epoxy Resin Product Core Employee retained by Respondent, the direct supervisor(s) of any such

employee, and any other employee retained by Respondents and designated by the Interim Monitor (if applicable) sign a confidentiality agreement pursuant to which such employee shall be required to maintain all Confidential Business Information related to the Specialty Epoxy Resin Products as strictly confidential, including the nondisclosure of such information to all other employees, executives or other personnel of Respondents (other than as necessary to comply with the requirements of this Order).

J. Not later than thirty (30) days after the Effective Date, Respondents shall provide written notification of the restrictions on the use of the Confidential Business Information related to the Specialty Epoxy Resin Products by Respondents' personnel to all of Respondents' employees who:

Respondents shall give such notification by e-mail with return receipt requested or similar transmission, and keep a file of such receipts for one (1) year after the relevant Closing Date. Respondents shall maintain complete records of all such agreements at Respondents headquarters address within the United States and shall provide an officer's certification to the Commission stating that such acknowledgment program has been implemented and is being complied with. Respondents shall provide the Acquirer with copies of all certifications, notifications and reminders sent to Respondents' personnel.

K. Until Respondents complete the divestitures required by Paragraph II.A. and fully transfer the related Manufacturing Technology to the Acquirer(s),

without disruption, delay, or impairment of the regulatory approval processes related to the business associated with each Specialty Epoxy Resin Product;

  - 2. Respondents shall not sell, transfer, encumber or otherwise impair the assets required to be divested (other than in the manner prescribed in this Order) nor take any action that lessens the full economic viability, marketability, or competitiveness of the businesses associated with each Specialty Epoxy Resin Product.
- L. Respondents shall not join, file, prosecute or maintain any suit, in law or equity, against the Acquirer(s) or the Specialty Epoxy Resin Product Releasee(s) for the research, Development, manufacture, use, import, export, distribution, or sale of the Specialty Epoxy Resin Product(s) under the following:

- 1. any Patent owned or licensed by Respondents as of the Effective Date that claims a method of making, using, or administering, or a composition of matter, relating to a Specialty Epoxy Resin Product, or that claims a device relating to the use thereof;

Respondents shall also covenant to the Acquirer that as a condition of any assignment, transfer, or license to a Third Party of the above-described Patents, the Third Party shall agree to provide a covenant whereby the Third Party covenants not to sue the Acquirer or the related Specialty Epoxy Resin Product Releasee(s) under such Patents, if the suit would have the potential to interfere with the Acquirer's freedom to practice the following: (1) the research, Development, or manufacture of a particular Specialty Epoxy Resin Product; or (2) the use within, import into, export from, or the supply, distribution, or sale within, the United States of a particular Specialty Epoxy Resin Product.

- M. - N. Within eighteen (18) months of the Closing Date, Respondents shall either license or assign any and all intellectual property to the Acquirer that constitutes either Product Intellectual Property or Product Licensed Intellectual Property that the Acquirer, with the concurrence of the Interim Monitor, identifies as being necessary to the conduct of the business associated with the Specialty Epoxy Resin Product (as such business had been conducted by Respondent Hexion prior to the Effective Date) and that was not listed and/or included in the intellectual property that was licensed or assigned to the Acquirer pursuant to the Remedial Agreements previously submitted by Respondents to the Commission.
- O. For any patent infringement suit in which either Respondent is alleged to have infringed a Patent of a Third Party prior to the Closing Date or for such suit as such Respondent has prepared or is preparing as of the Closing Date to defend against such infringement claim(s), and where such a suit would have the potential to interfere with the Acquirer's freedom to practice the following: (1) the research, Development, or manufacture of a particular Specialty Epoxy Resin Product; or (2) the use within, import into, export from, or the supply, distribution, or sale within, the United States of the relevant Specialty Epoxy Resin Products, Respondents shall:

*provided, however*, that this Order shall not preclude Respondents from continuing to use those trademarks, tradenames, or service marks related to the Retained Products as of the Effective Date.

- Q. Respondents shall not seek, directly or indirectly, pursuant to any dispute resolution mechanism incorporated in any Remedial Agreement, or in any agreement related to any of the Specialty Epoxy Resin Products a decision the result of which would be inconsistent with the terms of this Order and/or the remedial purposes thereof.
- R. The purpose of the divestiture of the Specialty Epoxy Resin Product Assets and the transfer of the Manufacturing Technology related to the Specialty Epoxy Resin Products, respectively, and the related obligations imposed on the Respondents by this Order is:

#### IV.

**IT IS FURTHER ORDERED** that:

- A. If Respondent Hexion does not acquire more than fifty (50) percent of the voting securities of Respondent Huntsman on or before the Expiration Date, then Respondent Hexion shall divest, absolutely and in good faith, all of its Ownership Interest in Respondent Huntsman on the New York Stock Exchange, or such other securities exchange as the voting securities of Respondent Huntsman are registered to be traded on, within six (6) months of the Expiration Date to a Person that holds not more than one (1) percent of the voting securities of Respondent Hexion.
- B. Pending the divestiture described in Paragraph IV.A., Respondent Hexion shall not, directly or indirectly:

pending. With respect to any such discovery, Respondent Hexion shall enter into a protective order to prevent any information from being used for any purpose other than providing legal representation or evidence as to the particular dispute and to prevent any information from being disclosed to any person(s) not necessary to the resolution of such dispute; or

- A. At any time after Respondents sign the Consent Agreement in this matter, the Commission may appoint a monitor ("Interim Monitor") to assure that Respondents expeditiously comply with all of their obligations and perform all of their responsibilities as required by this Order, the Order to Maintain Assets, and the Remedial Agreements.
- B. The Commission shall select the Interim Monitor, subject to the consent of Respondent Hexion, which consent shall not be unreasonably withheld. If Respondent Hexion has not opposed, in writing, including the reasons for opposing, the selection of a proposed Interim Monitor within ten (10) days after notice by the staff of the Commission to Respondent Hexion of the identity of any proposed Interim Monitor, Respondents shall be deemed to have consented to the selection of the proposed Interim Monitor.
- C. Not later than ten (10) days after the appointment of the Interim Monitor, Respondents shall execute an agreement that, subject to the prior approval of the Commission, confers on the Interim Monitor all the rights and powers necessary to permit the Interim Monitor to monitor Respondents' compliance with the relevant requirements of the Order in a manner consistent with the purposes of the Order.
- D. If an Interim Monitor is appointed, Respondents shall consent to the following terms and conditions regarding the powers, duties, authorities, and responsibilities of the Interim Monitor:
  1. the Interim Monitor shall have the power and authority to monitor Respondents' compliance with the divestiture and asset maintenance obligations and related

requirements of the Order, and shall exercise such power and authority and carry out the duties and responsibilities of the Interim Monitor in a manner consistent with the purposes of the Order and in consultation with the Commission;

2. the Interim Monitor shall act in a fiduciary capacity for the benefit of the Commission; and

3. the Interim Monitor shall serve until, the latter of:

a. the date of completion by Respondents of the divestiture of all Specialty Epoxy Resin Product Assets and the transfer of the Manufacturing Technology, Product Intellectual Property, and Product Licensed Intellectual Property in a manner that fully satisfies the requirements of this Order; and

b. with respect to each Specialty Epoxy Resin Product, the date the Acquirer (or the Designee(s) of such Acquirer) has obtained all Product Approvals necessary to manufacture, market, import, export, and sell such Specialty Epoxy Resin Product and able to manufacture such Specialty Epoxy Resin Product in commercial quantities independently of Respondents;

*provided, however,* that the Interim Monitor's service shall not exceed five (5) years from the date on which this Order becomes final;

*provided further,* that the Commission may shorten or extend this period as may be necessary or appropriate to accomplish the purposes of the Orders.

E. Subject to any demonstrated legally recognized privilege, the Interim Monitor shall have full and complete access to Respondents' personnel, books, documents, records kept in the normal course of business, facilities and technical information, and such other relevant information as the Interim Monitor may reasonably request, related to Respondents' compliance with their obligations under the Order, including, but not limited to, their obligations related to the relevant assets. Respondents shall cooperate with any reasonable request of the Interim Monitor and shall take no action to interfere with or impede the Interim Monitor's ability to monitor Respondents' compliance with the Order.

F. The Interim Monitor shall serve, without bond or other security, at the expense of Respondent, on such reasonable and customary terms and conditions as the Commission may set. The Interim Monitor shall have authority to employ, at the expense of Respondent, such consultants, accountants, attorneys and other representatives and assistants as are reasonably necessary to carry out the Interim Monitor's duties and responsibilities.

- G. Respondents shall indemnify the Interim Monitor and hold the Interim Monitor harmless against any losses, claims, damages, liabilities, or expenses arising out of, or in connection with, the performance of the Interim Monitor's duties, including all reasonable fees of counsel and other reasonable expenses incurred in connection with the preparations for, or defense of, any claim, whether or not resulting in any liability, except to the extent that such losses, claims, damages, liabilities, or expenses result from gross negligence, willful or wanton acts, or bad faith by the Interim Monitor.
- H. Respondent shall report to the Interim Monitor in accordance with the requirements of this Order and/or as otherwise provided in any agreement approved by the Commission. The Interim Monitor shall evaluate the reports submitted to the Interim Monitor by Respondent, and any reports submitted by the Acquirer with respect to the performance of Respondent's obligations under the Order or the Remedial Agreement(s). Within thirty (30) days from the date the Interim Monitor receives these reports, the Interim Monitor shall report in writing to the Commission concerning performance by Respondent of its obligations under the Order; *provided, however*, beginning one hundred twenty (120) days after Respondent has filed its final report pursuant to Paragraph VIII.C., and every one hundred twenty (120) days thereafter, the Interim Monitor shall report in writing to the Commission concerning progress by the Acquirer toward:
1. obtaining all of the relevant Product Approvals necessary to manufacture in commercial quantities, the Specialty Epoxy Resin Products independently of Respondents and;
  2. to secure sources of supply of the ingredients, inputs and components for the Specialty Epoxy Resin Products from entities other than Respondents.
- I. Respondents may require the Interim Monitor and each of the Interim Monitor's consultants, accountants, attorneys and other representatives and assistants to sign a customary confidentiality agreement; *provided, however*, that such agreement shall not restrict the Interim Monitor from providing any information to the Commission.
- J. The Commission may, among other things, require the Interim Monitor and each of the Interim Monitor's consultants, accountants, attorneys and other representatives and assistants to sign an appropriate confidentiality agreement related to Commission materials and information received in connection with the performance of the Interim Monitor's duties.
- K. If the Commission determines that the Interim Monitor has ceased to act or failed to act diligently, the Commission may appoint a substitute Interim Monitor in the same manner as provided in this Paragraph.
- L. The Commission may on its own initiative, or at the request of the Interim Monitor, issue such additional orders or directions as may be necessary or appropriate to assure compliance with the requirements of the Order.

- M. The Interim Monitor appointed pursuant to this Order may be the same person appointed as a Divestiture Trustee pursuant to the relevant provisions of this Order.

## VI.

### IT IS FURTHER ORDERED that:

- A. If Respondents have not fully complied with the obligations to assign, grant, license, divest, transfer, deliver or otherwise convey relevant assets as required by this Order, the Commission may appoint a trustee ("Divestiture Trustee") to assign, grant, license, divest, transfer, deliver or otherwise convey the assets required to be assigned, granted, licensed, divested, transferred, delivered or otherwise conveyed pursuant to each of the relevant Paragraphs in a manner that satisfies the requirements of each such Paragraph. In the event that the Commission or the Attorney General brings an action pursuant to § 5(l) of the Federal Trade Commission Act, 15 U.S.C. § 45(l), or any other statute enforced by the Commission, Respondents shall consent to the appointment of a Divestiture Trustee in such action to assign, grant, license, divest, transfer, deliver or otherwise convey the relevant assets. Neither the appointment of a Divestiture Trustee nor a decision not to appoint a Divestiture Trustee under this Paragraph shall preclude the Commission or the Attorney General from seeking civil penalties or any other relief available to it, including a court-appointed Divestiture Trustee, pursuant to § 5(l) of the Federal Trade Commission Act, or any other statute enforced by the Commission, for any failure by Respondents to comply with this Order.
- B. The Commission shall select the Divestiture Trustee, subject to the consent of Respondent Hexion, which consent shall not be unreasonably withheld. The Divestiture Trustee shall be a person with experience and expertise in acquisitions and divestitures. If Respondent Hexion has not opposed, in writing, including the reasons for opposing, the selection of any proposed Divestiture Trustee within ten (10) days after notice by the staff of the Commission to Respondent Hexion of the identity of any proposed Divestiture Trustee, Respondents shall be deemed to have consented to the selection of the proposed Divestiture Trustee.
- C. Not later than ten (10) days after the appointment of a Divestiture Trustee, Respondents shall execute a trust agreement that, subject to the prior approval of the Commission, transfers to the Divestiture Trustee all rights and powers necessary to permit the Divestiture Trustee to effect the divestiture required by this Order.
- D. If a Divestiture Trustee is appointed by the Commission or a court pursuant to this Paragraph, Respondents shall consent to the following terms and conditions regarding the Divestiture Trustee's powers, duties, authority, and responsibilities:
1. subject to the prior approval of the Commission, the Divestiture Trustee shall have the exclusive power and authority to assign, grant, license, divest, transfer, deliver or

otherwise convey the assets that are required by this Order to be assigned, granted, licensed, divested, transferred, delivered or otherwise conveyed;

2. the Divestiture Trustee shall have one (1) year after the date the Commission approves the trust agreement described herein to accomplish the divestiture, which shall be subject to the prior approval of the Commission. If, however, at the end of the one (1) year period, the Divestiture Trustee has submitted a plan of divestiture or believes that the divestiture can be achieved within a reasonable time, the divestiture period may be extended by the Commission; *provided, however*, the Commission may extend the divestiture period only two (2) times;
3. subject to any demonstrated legally recognized privilege, the Divestiture Trustee shall have full and complete access to the personnel, books, records and facilities related to the relevant assets that are required to be assigned, granted, licensed, divested, delivered or otherwise conveyed by this Order and to any other relevant information, as the Divestiture Trustee may request. Respondents shall develop such financial or other information as the Divestiture Trustee may request and shall cooperate with the Divestiture Trustee. Respondents shall take no action to interfere with or impede the Divestiture Trustee's accomplishment of the divestiture. Any delays in divestiture caused by Respondents shall extend the time for divestiture under this Paragraph in an amount equal to the delay, as determined by the Commission or, for a court-appointed Divestiture Trustee, by the court;
4. the Divestiture Trustee shall use commercially reasonable efforts to negotiate the most favorable price and terms available in each contract that is submitted to the Commission, subject to Respondents' absolute and unconditional obligation to divest expeditiously and at no minimum price. The divestiture shall be made in the manner and to an Acquirer as required by this Order; *provided, however*, if the Divestiture Trustee receives bona fide offers from more than one acquiring entity, and if the Commission determines to approve more than one such acquiring entity, the Divestiture Trustee shall divest to the acquiring entity selected by Respondents from among those approved by the Commission; and, *provided further, however*, that Respondents shall select such entity within five (5) days after receiving notification of the Commission's approval;
5. the Divestiture Trustee shall serve, without bond or other security, at the cost and expense of Respondent, on such reasonable and customary terms and conditions as the Commission or a court may set. The Divestiture Trustee shall have the authority to employ, at the cost and expense of Respondent, such consultants, accountants, attorneys, investment bankers, business brokers, appraisers, and other representatives and assistants as are necessary to carry out the Divestiture Trustee's duties and responsibilities. The Divestiture Trustee shall account for all monies derived from the divestiture and all expenses incurred. After approval by the Commission of the account of the Divestiture Trustee, including fees for the Divestiture Trustee's services, all remaining monies shall be paid at the direction of Respondent, and the Divestiture

Trustee's power shall be terminated. The compensation of the Divestiture Trustee shall be based at least in significant part on a commission arrangement contingent on the divestiture of all of the relevant assets that are required to be divested by this Order;

6. Respondents shall indemnify the Divestiture Trustee and hold the Divestiture Trustee harmless against any losses, claims, damages, liabilities, or expenses arising out of, or in connection with, the performance of the Divestiture Trustee's duties, including all reasonable fees of counsel and other expenses incurred in connection with the preparation for, or defense of, any claim, whether or not resulting in any liability, except to the extent that such losses, claims, damages, liabilities, or expenses result from gross negligence, willful or wanton acts, or bad faith by the Divestiture Trustee;
  7. the Divestiture Trustee shall have no obligation or authority to operate or maintain the relevant assets required to be divested by this Order; *provided, however,* that the Divestiture Trustee appointed pursuant to this Paragraph may be the same Person appointed as Interim Monitor pursuant to the relevant provisions of the Order to Maintain Assets in this matter;
  8. the Divestiture Trustee shall report in writing to Respondents and to the Commission every sixty (60) days concerning the Divestiture Trustee's efforts to accomplish the divestiture; and
  9. Respondents may require the Divestiture Trustee and each of the Divestiture Trustee's consultants, accountants, attorneys and other representatives and assistants to sign a customary confidentiality agreement; *provided, however,* such agreement shall not restrict the Divestiture Trustee from providing any information to the Commission.
- E. If the Commission determines that a Divestiture Trustee has ceased to act or failed to act diligently, the Commission may appoint a substitute Divestiture Trustee in the same manner as provided in this Paragraph.
- F. The Commission or, in the case of a court-appointed Divestiture Trustee, the court, may on its own initiative or at the request of the Divestiture Trustee issue such additional orders or directions as may be necessary or appropriate to accomplish the divestiture required by this Order.

## VII.

### **IT IS FURTHER ORDERED** that:

With respect to Confidential Business Information, Respondents shall assure that, in any instance wherein their counsel (including in-house counsel under appropriate confidentiality arrangements) either retains unredacted copies of documents or other materials provided to the Acquirer(s) or accesses original documents (under circumstances where copies of documents are insufficient or otherwise unavailable) provided to the Acquirer(s), that Respondents' counsel does so only in order to do the following:

- B. Within five (5) days of the Acquisition, Respondents shall submit to the Commission a letter certifying the date on which the Acquisition occurred.
- C. Within thirty (30) days after the date this Order becomes final, and every sixty (60) days thereafter until Respondents have fully complied with the following:

2. and all of their responsibilities to render transitional services to the Acquirer as provided by this Order and the Remedial Agreement(s);

Respondents shall submit to the Commission a verified written report setting forth in detail the manner and form in which they intend to comply, are complying, and have complied with this Order. - A. At any time after Respondents sign the Consent Agreement in this matter, the Commission may appoint an Interim Monitor to assure that Respondents expeditiously comply with all of their obligations and perform all of their responsibilities as required by the Orders and the Remedial Agreements. If Respondent Hexion has not opposed, in writing, including the reasons for opposing, the selection of a proposed Interim Monitor within ten (10) days after notice by the staff of the Commission to Respondent Hexion of the identity of any proposed Interim Monitor, Respondents shall be deemed to have consented to the selection of the proposed Interim Monitor.

Respondents shall cooperate with any reasonable request of the Interim Monitor and shall take no action to interfere with or impede the Interim Monitor's ability to monitor Respondents' compliance with the Orders.
- F. The Interim Monitor shall serve, without bond or other security, at the expense of Respondents on such reasonable and customary terms and conditions as the Commission may set. The Interim Monitor shall have authority to employ, at the expense of the Respondents, such consultants, accountants, attorneys and other representatives and assistants as are reasonably necessary to carry out the Interim Monitor's duties and responsibilities.
- G. Respondents shall indemnify the Interim Monitor and hold the Interim Monitor harmless against any losses, claims, damages, liabilities, or expenses arising out of, or in connection with, the performance of the Interim Monitor's duties, including all reasonable fees of counsel and other reasonable expenses incurred in connection with the preparations for, or defense of, any claim, whether or not resulting in any liability, except to the extent that such losses, claims, damages, liabilities, or expenses result from gross negligence, willful or wanton acts, or bad faith by the Interim Monitor.

customary confidentiality agreement;

*provided, however,* that such agreement shall not restrict the Interim Monitor from providing any information to the Commission.

- J. The Commission may, among other things, require the Interim Monitor and each of the Interim Monitor's consultants, accountants, attorneys and other representatives and assistants to sign an appropriate confidentiality agreement related to Commission materials and information received in connection with the performance of the Interim Monitor's duties.
- K. If the Commission determines that the Interim Monitor has ceased to act or failed to act diligently, the Commission may appoint a substitute Interim Monitor in the same manner as provided in this Paragraph or the relevant provisions of the Decision and Order in this matter.
- L. The Commission may on its own initiative, or at the request of the Interim Monitor, issue such additional orders or directions as may be necessary or appropriate to assure compliance with the requirements of the Orders.

4. Hexion and Huntsman entered into an Agreement and Plan of Merger (the “Merger Agreement”) on July 12, 2007, pursuant to which Hexion would purchase 100% of the outstanding voting securities of Huntsman.

5. Hexion submitted filings to the Commission and the Department of Justice under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, 15 U.S.C. § 18a, on August 2, 2007. Hexion withdrew and resubmitted its filings on September 4.

6. On October 2, 2008, the Commission accepted for public comment an Agreement Containing Consent Orders, a Decision and Order and an Asset Maintenance Order (“the Orders”). The Orders permitted the parties to close the transaction, subject to certain conditions. The Commission approved the final Orders on November 13, 2008. The Consent Order required Hexion to sell its Specialty Epoxy Resin Assets to Spolek Pro Chemickou A Hutni Výrobu, Akciova Společnost (“Spolek”), a Czech manufacturer of epoxy resin, within 10 days of completing the acquisition of Huntsman. The Asset Maintenance Order requires Hexion to “maintain the full economic viability, marketability and competitiveness of the Specialty Epoxy Resin Product Business . . .” pending the sale to Spolek and places specific obligations on Hexion with respect to that business. The Consent Order and Asset Maintenance Order also limits Hexion’s use of non-public information relating to the production of methyl diisocyanate (“MDI”).<sup>1</sup> The Consent Order requires Hexion to engage an Interim Monitor to monitor Hexion’s compliance with the Orders. The Consent Order also requires Hexion to file a compliance report with the Commission every 60 days.

---

<sup>1</sup> Hexion supplies an input used in MDI production to Huntsman and two of the other three MDI producers in North America.

7. On June 30, 2008, The European Commission ("EC") issued a decision permitting Hexion's acquisition of Huntsman to proceed, pursuant to certain Commitments that Hexion made to the EC. Those Commitments required Hexion to sell the specialty epoxy resin business to an approved purchaser. On October 1, the EC issued a decision approving Spolek as the purchaser of that business. Hexion's Commitments to the EC required Hexion to engage a Monitoring Trustee to monitor Hexion's compliance with the Commitments.

8. Hexion and Huntsman have abandoned their plans to merge. Although Hexion and Huntsman attempted to close the transaction, they could not because the banks that had agreed to finance the transaction refused to do so. Accordingly, Huntsman terminated the Merger Agreement on December 13, 2008. Hexion withdrew its HSR filing on January 8, 2008.

9. Demand for Hexion's specialty epoxy resin products has fallen substantially since October 2, 2008. The Asset Maintenance Order could interfere with Hexion's ability to respond to changing economic conditions because it limits Hexion's ability to sell or reconfigure the business to be divested. That is an unnecessary burden that could limit Hexion's ability to manage the business and could inhibit its ability to compete.

10. The Asset Maintenance Order and Consent Order require Hexion to engage an Interim Monitor and to file regular compliance reports with the Commission, substantial expenses that Hexion's competitors need not bear. The EC has already discharged the Monitoring Trustee.

11. Hexion has complied with the Orders.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct.

AFFIDAVIT OF SAMUEL D. SCRUGGS IN SUPPORT OF PETITION OF HEXION  
LLC AND HUNTSMAN CORPORATION TO REOPEN AND SET ASIDE ORDERS

I, Samuel D. Scruggs, hereby declare:

1. I am Executive Vice President and General Counsel of Huntsman Corporation ("Huntsman"), a corporation organized under the laws of the State of Delaware.
2. As Executive Vice President and General Counsel of Huntsman, I am aware of Huntsman's filings under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, 15 U.S.C. § 18a, as amended (the "HSR Act"), the terms of the Decision and Order entered by the Federal Trade Commission (the "Commission") on November 13, 2008 (the "Order"), Huntsman's compliance with the Order and the litigation between Hexion LLC, Hexion Specialty Chemicals, Inc. (collectively "Hexion"), Nimbus Merger Sub Inc., Huntsman and others, and the settlement of that litigation.

3. The information in this affidavit is based upon my personal knowledge and on information conveyed to me by management of Huntsman and counsel.

4. I affirm that to the best of my knowledge and belief, the facts and statements contained in Huntsman's Petition to Reopen and Set Aside the Order are true and correct. Unless defined herein, capitalized terms have the meaning given to them in the Order.

5. On July 12, 2007, Huntsman, Hexion Specialty Chemicals, Inc., and Nimbus Merger Sub Inc. entered into a definitive agreement (the "Merger Agreement") whereby Nimbus Merger Sub Inc. will be merged with and into Huntsman (the "Merger"), with Huntsman surviving the Merger as a wholly-owned subsidiary of Hexion.

6. On August 2, 2007, Huntsman submitted its HSR Act filings to the Commission and the Department of Justice. I am told that Hexion submitted its HSR Act filings to the Commission and the Department of Justice on August 2, but withdrew and refiled on September 4, 2007.

7. On October 2, 2008, the Commission accepted for public comment an Agreement Containing Consent Orders and a Proposed Decision and Order that allowed the parties to close the Merger, subject to certain conditions.

8. On November 13, 2008, the Commission approved the final Order. In relevant part, the Order requires Hexion to divest its Specialty Epoxy Resin Product Assets to Spolek Pro Chemickou A Hutni Výrobu, Akciová Společnost, a Czech epoxy resin manufacturer, within 10 days of closing the Merger. It also bars Hexion and Huntsman from using "MDI Non-Public Information to the detriment of the research, Development, manufacturing, marketing, or sale of MDI Products of the [other] MDI Producers. . . ."

9. On June 18, 2008, Hexion and others filed suit in Delaware Chancery Court seeking a judgment that, *inter alia*, Hexion was not obligated to consummate the Merger. Huntsman filed counterclaims.

10. On September 30, 2008 the court found for Huntsman and ordered Hexion and others to comply with their obligations under the Merger Agreement.

11. The parties attempted to close the transaction on October 28, 2008, but were unable to do so when the banking institutions that had committed to finance the transaction refused to do so.

12. On December 13, 2008, Huntsman exercised its right and terminated the Merger Agreement. On December 14, 2008, the parties to the litigation subsequently entered into a Settlement Agreement resolving the litigation.

13. Huntsman no longer intends to close the transaction with or to cede any operational control or influence over the management of Huntsman to Hexion or any Hexion affiliate. Consequently, on January 9, 2009, Huntsman withdrew its HSR Act filing. I am told that on January 8, Hexion withdrew its HSR Act filing.

14. Since November 13, 2008, Huntsman has remained in compliance with the terms of the Order. To date, Huntsman has filed two compliance reports with the Commission. Pursuant to the Order, Huntsman is obligated to submit a compliance report to the Commission every sixty days until 2018. The preparation of each report incurs legal fees and takes up management time.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed on February 3, 2009.

Hexion LLC / Huntsman Corporation

Dear Mr. Rich:

This is to acknowledge receipt of your letter of January 8, 2009, in which you requested withdrawal of the notification filed by Hexion LLC in connection with the proposed acquisition of certain voting securities of Huntsman Corporation.

Should the parties decide to proceed with the transaction at some future date a new premerger filing and filing fee would be required. As a result, the parties would be subject to the appropriate waiting period prior to consummating the acquisition. If you have any questions concerning this matter, please contact me at 202-326-3101.

**Re: COMP/M.4835 Hexion/Huntsman – Termination of Merger Agreement**

Dear Olivier,

I write to notify the Commission that Hexion and Huntsman have abandoned the above-referenced concentration. Attached is a copy of the notice from Huntsman to Hexion terminating the merger in accordance with sections 7.1(b)(iii) and 7.2(a) of the 12 July 2008 Agreement and Plan of Merger. Accordingly, Hexion's divestiture and hold-separate obligations under the conditions and obligations attached to the Commission's decision of 30 June 2008 are no longer in force. Hexion asks the Commission to confirm that the Monitoring Trustees' duties have been discharged. For the sake of good housekeeping, Hexion also withdraws its request for the extension of certain time periods under paragraph 78 of the Commitments.

We would like to take this opportunity to thank you and the case team for all the hard work and diligence throughout what has been a long and complicated case.

Sincerely,

  
Jonathan N.T. Uphoff
