DECISION AND ORDER

The Federal Trade Commission (“Commission”) having initiated an investigation of the acquisition by Respondent Nufarm Limited (“Nufarm”) of A.H. Marks Holding Limited (“AHM”), and Respondent having been furnished thereafter with a copy of a draft of Complaint that the Bureau of Competition proposed to present to the Commission for its consideration and which, if issued by the Commission, would charge Respondent with violations of Section 7 of the Clayton Act, as amended, 15 U.S.C. § 18, and Section 5 of the Federal Trade Commission Act, as amended, 15 U.S.C. § 45; and

Respondent, its attorneys, and counsel for the Commission having thereafter executed an Agreement Containing Consent Order (“Consent Agreement”), containing an admission by Respondent of all the jurisdictional facts set forth in the aforesaid draft of Complaint, a statement that the signing of said Consent Agreement is for settlement purposes only and does not constitute an admission by Respondent that the law has been violated as alleged in such Complaint, or that the facts as alleged in such Complaint, other than jurisdictional facts, are true, and waivers and other provisions as required by the Commission’s Rules; and

The Commission having thereafter considered the matter and having determined that it had reason to believe that Respondent has violated said Acts, and that a Complaint should issue stating its charges in that respect, and having accepted the executed Consent Agreement and placed such Consent Agreement on the public record for a period of thirty (30) days for the receipt and consideration of public comments, now in further conformity with the procedure described in Commission Rule 2.34, 16 C.F.R. § 2.34, the Commission hereby issues its Complaint and makes the following jurisdictional findings and issues the following Decision and Order (“Order”):

 2. - C. Respondent shall (and the Divestiture Agreements shall include provisions that, subject to the prior approval of the Commission, satisfy the following):
1. Ensure that the Commission-approved Acquirer is not liable to the MCPA Task Force or to individual members of the MCPA Task Force for any past costs or expenses of the MCPA Task Force (including but not limited to data compensation, initiation fees, and other costs);

provided, however, that Nufarm shall use best efforts to minimize its costs and to use its manufacturing plants in connection with the supply of MCPA in a manner that is intended to result in the greatest cost savings to the Commission-approved Acquirer.

- D. The Divestiture Agreements shall not vary or contradict, or be construed to vary or contradict, the terms of this Order, it being understood that nothing in this Order shall be construed to reduce any rights or benefits of any Commission-approved Acquirer or to reduce any obligations of Respondent under such agreements, and each such agreement, if approved by the Commission as the Divestiture Agreement, shall be incorporated by reference into this Order and made a part hereof. Any material modification of any Divestiture Agreement between the date the Commission approves the Divestiture Agreement and the Closing Date, without the prior approval of the Commission, or any failure to meet any material condition precedent to closing (whether waived or not), shall constitute a violation of this Order. Notwithstanding any paragraph, section, or other provision of the Divestiture Agreements, for a period of three (3) years after the relevant Closing Date, any modification of a Divestiture Agreement, without the approval of the Commission, shall constitute a failure to comply with this Order. Respondent shall provide written notice to the Commission not more than five (5) days after any modification (material or otherwise) of the Divestiture Agreement, or after any failure to meet any condition precedent (material or otherwise) to closing (whether waived or not).
- E. Until Respondent complies with Paragraph II. (or Paragraph VIII.) of this Order, Respondent shall continue to comply with the obligations of the July 15, 2009, asset maintenance agreement between counsel for Respondent and Commission staff, and Respondent shall take such actions as are necessary to maintain the viability, marketability, validity, and good-standing of Nufarm’s and AHM’s Task Force Seats and Registrations and to prevent the dissolution, revocation, withdrawal, impairment, or restriction of Nufarm’s and AHM’s MCPA Task Force Seats and Registrations.
- F. The purpose of the divestiture of the Divestiture Assets and the additional requirements in Paragraph II. is to remedy the lessening of competition in the manufacture and sale of each Product as alleged in the Commission’s complaint and to ensure that divestiture of the Divestiture Assets: (a) vests an entrant with market access and regulatory positions at least identical to AHM; (b) includes the enumerated obligations (Paragraph II.C.); and (c) provides such additional accommodations reasonably required by the entrant to

expeditiously enter and commence viable and sustainable participation in the markets as alleged in the Commission's complaint.

III.

IT IS FURTHER ORDERED that:

- A. By no later than five (5) days after the date on which this Order is accepted for public comment, Respondent shall divest the MCPP-p Divestiture Assets to PBI Gordon pursuant to and in accordance with the PBI Gordon Divestiture Agreement, absolutely and in good faith; provided, however, that if Respondent has divested the MCPP-p Divestiture Assets to PBI Gordon prior to the date this Order becomes final and if, at the time the Commission determines to make this Order final:

 2. The Commission determines and notifies Respondent that the manner in which the divestiture was accomplished is not acceptable, the Commission may direct the Respondent, or appoint a Divestiture Trustee, pursuant to Paragraph IV of this Order, to effect such modifications to the manner of divesting the MCPP-p Divestiture Assets to PBI Gordon (including, but not limited to, entering into additional agreements or arrangements) as may be necessary to satisfy the requirements of this Order.
- B. Prior to completing the divestiture required by this Paragraph, Respondent shall obtain all third-party consents and satisfy all other conditions, to the extent necessary, required to facilitate the divestitures, or as otherwise required by Paragraph III. of this Order, including obtaining any consents or waivers of, or payments to, third parties required to access data or transfer assets.
- C. Respondent shall (and the Divestiture Agreements shall include provisions that, subject to the prior approval of the Commission, satisfy the following):

1. Ensure that the Commission-approved Acquirer is not liable to the MCPP-p Task Force or to individual members of the MCPP-p Task Force for any past costs or expenses of the MCPP-p Task Force (including but not limited to data compensation, initiation fees, and other costs);
 2. Use best efforts to ensure that the Commission-approved Acquirer retains rights equivalent to the rights of the other members of the MCPP-p Task Force and that the Commission-approved Acquirer's rights cannot be reduced or restricted by future actions of the other members of the MCPP-p Task Force; and
 3. In order to enable the Commission-approved Acquirer of the MCPP-p Divestiture Assets to supply customers with MCPP-p at a similar quantity, in a similar manner, and of similar quality as Respondent was supplying customers with MCPP-p, provide MCPP-p to the Commission-approved Acquirer of the MCPP-p Divestiture Assets, at the option of the Commission-approved Acquirer, pursuant to terms and conditions subject to the prior approval of the Commission; *provided, however*, that Nufarm shall use best efforts to minimize its costs and to use its manufacturing plants in connection with the supply of MCPP-p in a manner that is intended to result in the greatest cost savings to the Commission-approved Acquirer.
- D. In connection with divestiture of the MCPP-p Divestiture Assets, subject to the approval of the Commission, Respondent shall provide to the Commission-approved Acquirer of the MCPP-p Divestiture Assets, at the Acquirer's option, for a period of up to three (3) years, a quantity of LCPA up to one-half of Respondent's annual capacity for the production of LCPA, for use only in the manufacture of MCPP-p, at no more than Respondent's Direct Cost, and for delivery on a schedule and terms that are consistent with usual and customary business practice; Respondent shall use best efforts to minimize its costs of providing LCPA and to use its manufacturing plants in connection with the supply of Product in a manner that is intended to result in the greatest cost savings to the Commission-approved Acquirer.
- E. Respondent shall:
1. waive all provisions in all contracts and agreements to which Respondent is a party that:
 - a) grant Respondent exclusive use of or access to LCib or LCib capacity, or

- b) restrict the ability of the other parties to the contracts or agreements to supply the Commission-approved Acquirer of the MCPP-p Divestiture Assets with LCib for the manufacture or sale of MCPP-p; and

- 2. shall take no action to restrict the ability of purchasers of LCib to use LCib to produce MCPP-p or to have a third party use the LCib to produce MCPP-p on behalf of the purchaser.

- F. The Divestiture Agreements shall not vary or contradict, or be construed to vary or contradict, the terms of this Order, it being understood that nothing in this Order shall be construed to reduce any rights or benefits of any Commission-approved Acquirer or to reduce any obligations of Respondent under such agreements, and each such agreement, if approved by the Commission as the Divestiture Agreement, shall be incorporated by reference into this Order and made a part hereof. Respondent shall comply with all terms of the Divestiture Agreements, and any breach by Respondent of any term of the Divestiture Agreements shall constitute a violation of this Order. If any term of the Divestiture Agreements varies from the terms of this Order (“Order Term”), then to the extent that Respondent cannot fully comply with both terms, the Order Term shall determine Respondent’s obligations under this Order. Any material modification of any Divestiture Agreement between the date the Commission approves the Divestiture Agreement and the Closing Date, without the prior approval of the Commission, or any failure to meet any material condition precedent to closing (whether waived or not), shall constitute a violation of this Order. Notwithstanding any paragraph, section, or other provision of the Divestiture Agreements, for a period of three (3) years after the relevant Closing Date, any modification of a Divestiture Agreement, without the approval of the Commission, shall constitute a failure to comply with this Order. Respondent shall provide written notice to the Commission not more than five (5) days after any modification (material or otherwise) of the Divestiture Agreement, or after any failure to meet any condition precedent (material or otherwise) to closing (whether waived or not).
- G. Until Respondent complies with Paragraph III. (or Paragraph VIII.) of this Order, Respondent shall continue to comply with the obligations of the July 15, 2009, asset maintenance agreement between counsel for Respondent and Commission staff, and Respondent shall take such actions as are necessary to maintain the viability, marketability, validity, and good-standing of Nufarm’s and AHM’s Task Force Seats and Registrations and to prevent the dissolution, revocation, withdrawal, impairment, or restriction of Nufarm’ and AHM’s MCPP-p Task Force Seats and Registrations.
- H. The purpose of the divestiture of the Divestiture Assets and the additional requirements in Paragraph III. is to remedy the lessening of competition in the manufacture and sale of each Product as alleged in the Commission’s complaint and to ensure that divestiture of the Divestiture Assets: (a) vests an entrant with market access and regulatory positions

at least identical to AHM; (b) includes the enumerated obligations (Paragraph III.C.); and (c) provides such additional accommodations reasonably required by the entrant to expeditiously enter and commence viable and sustainable participation in the markets as alleged in the Commission's complaint.

- A. If Respondent has not fully complied with the obligations to divest the MCPA Divestiture Assets or the MCPP-p Divestiture Assets as required by this Order, the Commission may appoint a trustee (“Divestiture Trustee”) to divest the MCPA Divestiture Assets (if the MCPA Divestiture Assets have not been divested) or the MCPP-p Divestiture Assets (if the MCPP-p Divestiture Assets have not been divested) pursuant to Paragraph II. or Paragraph III. of this Order, as applicable, and effectuate the other obligations of Paragraph II. or Paragraph III. of this Order, as applicable, in a manner that satisfies the requirements of this Order. In the event that the Commission or the Attorney General brings an action pursuant to § 5(l) of the Federal Trade Commission Act, 15 U.S.C. § 45(l), or any other statute enforced by the Commission, Respondent shall consent to the appointment of a Divestiture Trustee in such action to divest the required assets. Neither the appointment of a Divestiture Trustee nor a decision not to appoint a Divestiture Trustee under this Paragraph shall preclude the Commission or the Attorney General from seeking civil penalties or any other relief available to it, including a court-appointed Divestiture Trustee, pursuant to § 5(l) of the Federal Trade Commission Act, or any other statute enforced by the Commission, for any failure by Respondent to comply with this Order.
- B. The Commission shall select the Divestiture Trustee, subject to the consent of Respondent, which consent shall not be unreasonably withheld. The Divestiture Trustee shall be a person with experience and expertise in acquisitions and divestitures. If Respondent has not opposed, in writing, including the reasons for opposing, the selection of any proposed Divestiture Trustee within ten (10) days after notice by the staff of the Commission to Respondent of the identity of any proposed Divestiture Trustee, Respondent shall be deemed to have consented to the selection of the proposed Divestiture Trustee.
- C. Not later than ten (10) days after the appointment of a Divestiture Trustee, Respondent shall execute a trust agreement that, subject to the prior approval of the Commission, transfers to the Divestiture Trustee all rights and powers necessary to permit the Divestiture Trustee to effectuate the divestitures and satisfy the additional obligations required by Paragraph II. or Paragraph III, as applicable, of this Order.
- D. If a Divestiture Trustee is appointed by the Commission or a court pursuant to this Paragraph, Respondent shall consent to the following terms and conditions regarding the Divestiture Trustee’s powers, duties, authority, and responsibilities:

1. Subject to the prior approval of the Commission, the Divestiture Trustee shall have the exclusive power and authority to effectuate the divestitures and satisfy the additional obligations required by Paragraph II. or Paragraph III, as applicable, of this Order.
2. The Divestiture Trustee shall have twelve (12) months after the date the Commission approves the trust agreement described herein to accomplish the divestitures, which shall be subject to the prior approval of the Commission. If, however, at the end of the twelve (12) month period, the Divestiture Trustee has submitted a plan to satisfy the obligations of Paragraph II. or Paragraph III., as applicable, or believes that such can be achieved within a reasonable time, the period may be extended by the Commission, or, in the case of a court-appointed Divestiture Trustee, by the court; *provided, however*, the Commission may extend the period only two (2) times.
3. Subject to any demonstrated legally recognized privilege, the Divestiture Trustee shall have full and complete access to the personnel, books, records and facilities related to the relevant assets that are required to be assigned, granted, licensed, divested, delivered or otherwise conveyed by this Order and to any other relevant information, as the Divestiture Trustee may request. Respondent shall develop such financial or other information as the Divestiture Trustee may request and shall cooperate with the Divestiture Trustee. Respondent shall take no action to interfere with or impede the Divestiture Trustee's accomplishment of the divestitures. Any delays caused by Respondent shall extend the time under this Paragraph in an amount equal to the delay, as determined by the Commission or, for a court-appointed Divestiture Trustee, by the court.
4. The Divestiture Trustee shall use commercially reasonable efforts to negotiate the most favorable price and terms available in each contract that is submitted to the Commission, subject to Respondent's absolute and unconditional obligation to divest expeditiously and at no minimum price. The divestitures shall be made in the manner and to an acquirer as required by this Order; *provided, however*, if the Divestiture Trustee receives bona fide offers from more than one acquiring entity, and if the Commission determines to approve more than one such acquiring entity, the Divestiture Trustee shall divest to the acquiring entity or entities selected by Respondent from among those approved by the Commission; *provided further, however*, that Respondent shall select such entity within five (5) Days after receiving notification of the Commission's approval.
5. The Divestiture Trustee shall serve, without bond or other security, at the cost and expense of Respondent, on such reasonable and customary terms and conditions as the Commission or a court may set. The Divestiture Trustee shall

have the authority to employ, at the cost and expense of Respondent, such consultants, accountants, attorneys, investment bankers, business brokers, appraisers, and other representatives and assistants as are necessary to carry out the Divestiture Trustee's duties and responsibilities. The Divestiture Trustee shall account for all monies derived from the divestitures and all expenses incurred. After approval by the Commission of the account of the Divestiture Trustee, including fees for the Divestiture Trustee's services, all remaining monies shall be paid at the direction of Respondent, and the Divestiture Trustee's power shall be terminated. The compensation of the Divestiture Trustee shall be based at least in significant part on a commission arrangement contingent on the divestitures of all of the relevant assets that are required to be divested by this Order.

6. Respondent shall indemnify the Divestiture Trustee and hold the Divestiture Trustee harmless against any losses, claims, damages, liabilities, or expenses arising out of, or in connection with, the performance of the Divestiture Trustee's duties, including all reasonable fees of counsel and other expenses incurred in connection with the preparation for, or defense of, any claim, whether or not resulting in any liability, except to the extent that such losses, claims, damages, liabilities, or expenses result from malfeasance, gross negligence, willful or wanton acts, or bad faith by the Divestiture Trustee.
 7. The Divestiture Trustee shall have no obligation or authority to operate or maintain the relevant assets required to be granted, licensed, transferred, delivered or otherwise conveyed by this Order.
 8. The Divestiture Trustee shall report in writing to Respondent and to the Commission every sixty (60) days concerning the Divestiture Trustee's efforts to accomplish the divestitures.
 9. Respondent may require the Divestiture Trustee and each of the Divestiture Trustee's consultants, accountants, attorneys and other representatives and assistants to sign a customary confidentiality agreement; *provided, however*, such agreement shall not restrict the Divestiture Trustee from providing any information to the Commission.
- E. If the Commission determines that a Divestiture Trustee has ceased to act or failed to act diligently, the Commission may appoint a substitute Divestiture Trustee in the same manner as provided in this Paragraph.
- F. The Commission or, in the case of a court-appointed Divestiture Trustee, the court, may on its own initiative or at the request of the Divestiture Trustee issue such additional

orders or directions as may be necessary or appropriate to accomplish the divestitures required by this Order.

IX.

IT IS FURTHER ORDERED that:

- A. Within thirty (30) days after the date this Order becomes final, and every ninety (90) days thereafter until the last Closing Date for the MCPA Divestiture Assets and the MCPP-p Divestiture Assets, Respondent shall submit to the Commission a verified written report setting forth in detail the manner and form in which they intend to comply, are complying, and have complied with this Order. Respondent shall include in its reports, among other things that are required from time to time:
1. A full description of the efforts being made to divest the assets required to be divested; and
 2. A description of all substantive contacts or negotiations related to the divestitures and the identity of all parties contacted and copies of all written communications to and from such parties, and all reports and recommendations concerning completing its obligations pursuant to Paragraph II. and Paragraph III. of this Order.
- B. Respondent shall file a verified written report with the Commission setting forth in detail the manner and form in which it has complied and is complying with:
1. Paragraph II.C.3. and Paragraph III.C.3. of the Order, no later than three (3) months after the Order becomes final, and every six (6) months thereafter for the term of the obligation contained therein; and
 2. The remainder of the Order, annually on the anniversary date of the date the Order became final for the term of the Order.

X.

IT IS FURTHER ORDERED that Respondent shall notify the Commission at least thirty (30) days prior to:

- A. Any proposed dissolution of the Respondent;
- B. Any acquisition, merger or consolidation of Respondent; or
- C. Any other change in the Respondent, including, but not limited to, assignment and the creation or dissolution of subsidiaries, if such change may affect compliance obligations arising out of this Order.

XI.

IT IS FURTHER ORDERED that, for purposes of determining or securing compliance with this Order, and subject to any legally recognized privilege, and upon written request and upon five (5) days notice to Respondent, Respondent shall, without restraint or interference, permit any duly authorized representative(s) of the Commission:

- A. Access, during business office hours of the Respondent and in the presence of counsel, to all facilities and access to inspect and copy all non-privileged books, ledgers, accounts, correspondence, memoranda and all other records and documents in the possession or under the control of the Respondent related to compliance with this Order, which copying services shall be provided by the Respondent at their expense; and
- B. To interview officers, directors, or employees of the Respondent, who may have counsel present, regarding such matters.

XII.

IT IS FURTHER ORDERED that this Order shall terminate five (5) years from the date on which this Order becomes final.

By the Commission.
