Shocking Results
In Our Special Report We
Investigate Acai Berry...

"I Went From Flabby To Fabulous in Under 4 Weeks, Here's How...."

It sounds impossible right?

That's what I thought. So we at News 6 Reports decided to investigate. This report details our findings.

Before we get into the actual investigation results I want to tell you how we decided to test these miracle supplements.

To get started, I volunteered to be the guinea pig.

I poured over research for Acai Berry supplements.

Studied 175 different suppliers. Only one supplier was honest, pure and brilliantly trustworthy enough for us to use in the test. Their bottle of [Acai Ultra Lean](#) has the most concentrated and purest Acai out of all the products we researched.

(And judging by reviews, they have the ultimate Acai product on the market).

Luckily they had a Free Trial Option. I quickly took advantage of the free trial and ordered a bottle for our test. By the way, waiting for the product to arrive was kind of like Christmas! I love shopping online and from magazines.

Back to the report.

Here are the features & benefits of Acai Ultra Lean...

- Rich in Omega oils
- Contains N-Acetyl L-tyrosine: detoxifies your system
- High in fiber
- Contains 19 different amino acids and proteins (promotes healthy body tissues)
- Contains Barberry Root Bark: improves digestion, clears harmful bacteria from intestines

Maria pictured above followed the same diet as Jane and contributes her incredible 30lb weight loss to the [Acai](#) and [Colon Cleanse](#) diet.

Jane Clark put the hype to the test. Was she able to eat 3 delicious meals while losing weight at the same time?

- Contains Cocoa Seed: Improves blood flow

Looks like the this product is packed with good stuff.

While doing research we stumbled across a lot of success stories that talked about using Acai supplements together with Colon Cleanse.

Colon Cleanse detoxifies while Acai promotes the weight loss. And when using them together it works 3 times as fast. It was easier to find a good colon cleanse product because there are not that many on the market.

We found a company that proved trustworthy and they also had a free trial (lucky us). Their product is called [Natura Cleanse](#). So I ordered a bottle for the test.

Doing research about Natura Cleanse only brought positive reviews. Many people were experiencing good results by using this product. So I did a little more digging and found the following...

Here are the features & benefits of Natura Cleanse...

- Eliminate toxins that have built up over the years
- Removes "sludge" from the walls of the colon
- Removes harmful waste from the system
- Gets rid of gas and bloating
- Regulates the metabolism
- Contains Ginger Root Extract: Reduces levels of LDL cholesterol (or "bad cholesterol")
- Contains Mangosteen Extract: reduces appetite, and purifies blood
- Contains Grape Seed Extract: Stops cancer growth, reduces high blood pressure & reduces high cholesterol
- Contains Rhubarb Root Extract: Cleans intestines, stomach, colon & bowel
- Contains Bark Buckthorn: Hydrates and removes toxins
- Contains Bark Cascara: Causes body to drive out waste
- Contains Echinacea: Stimulates immune system
- Contains Fennel Seed: Helps digest food better
- Contains Parsley: Reduces water retention,
- Contains Red Clover Leaf: Stimulates liver and gall bladder, can alleviate constipation

Putting Acai and Colon to the Test

Both the [Acai Ultra Lean](#) free trial and the [Natura Cleanse](#) free trial arrived within 4 days.

Both bottles had a months supply of pills. This was perfect because I wanted to do a 4 weeks test.

My 4 Week Test Diet: Acai Ultra Lean + Natura Cleanse

- [Take one Acai Ultra Lean pill per day](#)
- [Take one Natura Cleanse pill per day](#)

Was I able to lose weight while eating 3 delicious meals per day? Here are my results...

My Results

Week One

During week one I felt a boost in energy. I never felt like this before. It was definitely the diet.

I was able to get a lot of sleep and don't remember tossing or turning at all. I felt like had energy to spare.

Also, my cravings for food we greatly reduced. It's like I didn't want to eat. Magical!

Weather Feed

[Weather Forecast](#) | [Weather Maps](#) | [Weather Radar](#)

By day 7 I decided to weigh myself...

I couldn't believe my eyes! The scale showed me 9 lbs lighter!

For the first time in 3 years I weighed less than 140 lbs. That's pretty good for the first week. But it could have been just water loss. I decided to continue and see if it was actually fat loss.

Week Two

During week two I felt a lot lighter. I felt way less bloating and overall increased alertness.

My skin was clear and I even got a compliment from the staff here at News 6 Reports.

I managed to lose 7 pounds during the second week bringing my total weight loss to an unbelievable 16lbs!

At this point it is very difficult to deny the fact that both products are working extremely well, way beyond what I expected.

I must admit that I'm starting to believe that this diet is more than just a gimmick.

Week Three

During the third week my dress size dropped down 2 sizes. I lost another 6 pounds.

My energy levels are still up and my appetite has remained under control.

Both [Acai Ultra Lean](#) and [Natura Cleanse](#) have allowed me to experience what a true diet should consist of, immediate incredible results.

Best of all, my stomach is digesting food so much better. I am no longer bloated after I eat. I feel amazing!

Week Four

By week four my results are truly shocking; I lost an unbelievable 25 lbs since starting the [Acai Ultra Lean](#) and [Natura Cleanse](#) diet!

Everyone who was as skeptical at the office is also in shock.

Using the [Acai Ultra Lean](#) and [Natura Cleanse](#) diet helped me lose a lot of weight safely and easily.

I am beyond satisfied with my weight loss!

My plan is to continue taking the Acai Ultra Lean afterwards because it has so many antioxidants and vitamins that improve my skin and overall health. My results are undeniably incredible.

I Couldn't Be Any Happier With The Results.

I Lost 25lbs in 4 Weeks, No Special Diet, No Intense
Exercise

Conclusion

I, Jane Clark, have been thoroughly impressed. After being skeptical about these supplements I have been proven wrong. I am happy that there is a good diet out there that actually works.

The [Acai Ultra Lean](#) and [Natura Cleanse](#) diet lives up to every claim!

We spoke to the manufactures of the product and arraigned to give all our

readers free trials of the products so they could test it out themselves.

Listed below are the links. Go get your free trials now. Then come back here and post your results.

Good Luck with your weight loss

-Jane Clark

P.S. The free trials are limited. There are over 12,450 daily readers of News 6 Reports. And there are only 300 free trials available. So the companies have asked me to say that the free trials are on a first come first serve basis.

Hello,

I am a 24 year old female. Height is around 5'9", and I weight 235. My goal is mainly to lose weight but to also get stronger and toned.

Will this work for me?

I just wanted to post that today marks three weeks since I started on my program. Sunday mornings are weigh-ins, and as of this morning I have lost exactly 16 lbs.

After many false starts over the last 7 to 8 years, I finally decided to approach weight loss using the acai pure detox and colon cleanse diet. And this has worked for me.

I am recording my food intake and exercise daily on myfooddiary.com - this is probably the most significant difference from previous weight loss attempts.

I don't like to brag but just thought I would come back here and post my results.

Cheers

Hi Ladies!

I had a major breakthrough this week. I was always putting everyone else in the world first, then me. Well, I've gotten into the Acai + Colon Cleanse diet and decided to do jumping for excersice. Well, I live in an apartment where there are no cement layers between the floors. So when I exercise, they hear the jumping and such.

Well, even though they are babysitting their daughters dog who barks at every noise, I finally got it through my thick head that I'm not going to stop because it annoys them! I workout at 6:30pm-7:30pm weekdays! So it's not like I'm up at 5am jumping and such. I'm gonna do what is best for ME!!! I'm gonna be selfish (in a good way). They cannot tell me what I can and cannot do in my unit!

1 Tip of a Flat Belly: A Surprising New Way to Burn Fat Quickly

As part of a new series: "Diet Trends: A look at UK's Top Diets" we put new diet and fitness techniques to the test

Featured on: Telegraph.co.uk CNN RealAge Live Life to the Youngest

Helen Cohen investigates a promising weight loss solution that is quickly gaining popularity in the United Kingdom and around the world.

By Helen Cohen | Published: 8 December 2010

(ConsumerReportsDaily) - Losing weight often feels like an impossible challenge. We have evaluated numerous fad diets over the years. All too frequently their results are just shy of painfully disappointing.

The reason for why most diets fail, in our opinion, is that they impose unrealistic restrictions on how you live your life. Some advocate eating tons of protein others emphasize carbohydrates. In either case, you're left with having to make rather drastic changes to the types of food you eat and when you eat it. In this special report, we take an in-depth look at an emerging and promising weight loss trend that we believe is a game changer, and it won't break the bank.

You may have heard of the enormously popular Cho Yung in the news. It's a completely natural 400 year old Chinese tea based weight loss program. Alone the Cho Yung offers many benefits primarily due to its high anti-oxidant content. Combine it with a powerful colon cleanser, and you've created a fat burning machine. If you're skeptical, you're not alone. When we first learned about this weightloss combo, our diet fad radar went off right away.

Nevertheless, as we began to investigate the countless success stories reported by people from all around the globe, we decided that this weight loss trend was worthy of a closer examination. Moreover, we found it of particular interest that these people had not significantly changed their current lifestyles.

Health and Diet writer Helen Cohen recently put an emerging diet trend to the test. We had to see for ourselves what this diet was all about. Helen spent four weeks testing the effects of UK's newest super-food combined with a colon cleanse. The results were surprising.

The benefits of the Cho Yung diet removed all of our initial skepticism. We found the diet not only helps with weight loss, but it seemed to boost energy levels according to Helen.

Step 1 Free Trial Of Cho Yung Tea Link Special TV 9 Today coupon Code: TRIAL (reduces shipping to 2.79GBP)

Step 2 Free Trial Of ProCleanse Gold Link Special TV 9 Today Coupon Code: OFFER (reduces shipping to 2.79GBP)

Using both products is highly recommended for results like those of Helen, because one product alone may not help you achieve the results you wanted.

Free trials are limited. Expires on 12 December 2010

Cho Yung Changing Lives How to Balance Your Body

Researchers are finding out about antioxidants and the powerful effects from them on our bodies.

WEATHER

ADVERTISEMENT

Ella Regan from Huddersfield was reported to have lost 3.5 Stone in 3 months while being on the [Cho Yung](#) and [ProCleanse Gold](#) combo diet.

In the story on her blog she states,

"I couldn't believe how easy it was. I didn't change my diet or my daily routine, but the fat melted off like it butter. I love this stuff! Finally a diet that just works."

For the test, it was inevitable that I was to be the guinea pig for this diet since I was about to get married. I wanted to lose 10 pounds for my wedding. In order to try the Cho Yung and ProCleanse Gold diet, I ordered two products. First, I got a FREE TRIAL of [Cho Yung](#). Although there are many Cho Yung offers available, I chose [Cho Yung](#), since they are one of the most credible and trustworthy suppliers on the market.

The Free Trial bottle of [Cho Yung](#) was delivered in a few days from ordering and with surprisingly inexpensive shipping. Cho Yung is one of the most concentrated and purest Cho Yung weight loss tea's on the market. It was our shared opinion that this would give me the most accurate results for my test.

Here is what Cho Yung claimed on their website:

- 4 Times More Weight Loss Than Diet and Exercise
- Boosts Energy
- Rich in Antioxidants
- Promotes Cardiovascular and Digestive Health

Although we were pretty skeptical, we wanted to find out for ourselves if this product could actually do everything that it claimed. Most of the success stories talk about combining Cho Yung with a colon cleansing products to achieve maximum weight loss. The idea behind combining the products is that while the [Cho Yung](#) encourages weight loss and increases energy; the ProCleanse Gold helps rid your body of toxins and allows your body to work and burn calories more efficiently. I chose [ProCleanse Gold](#) to test.

Here is what ProCleanse Gold claimed on their website:

- Helps Eliminate Bad Toxins That Have Built Up Over the Years
- Removes 'Sludge' From the Walls of the Colon
- Helps Get Rid of Gas and Bloating
- Helps Regulate the Metabolism

The ProCleanse Gold product like Cho Yung offers a free trial backed by a 100% satisfaction guarantee.

Putting the Cho Yung and ProCleanse Gold to the Test

Both the [Cho Yung](#) and [ProCleanse Gold](#) arrived within 4 days of having placed my order online for the free trials.

The shipments contained a month worth of product which worked out perfectly as I was to follow the supplement routine for 4 weeks time and document my progress.

The Test: A Four-Week Combo Diet Using Cho Yung and ProCleanse Gold

1. [Drink the Cho Yung tea 2-3 times a day](#)
2. [Take one ProCleanse Gold pill per day \(in the evening\)](#)

My Results

Week One:

After one week on the diet using both products I was surprised at the dramatic results. My energy level was up, and I wasn't even hungry. A welcomed side effect of the Cho Yung diet is its power to curb the appetite.

I honestly felt fantastic.

Best of all, I didn't even change anything about my daily routine. On Day 7, I got on the scale and couldn't believe my eyes. I had lost 3.5 lbs. But I still wasn't convinced, since they say you lose a lot of water weight at the beginning of any diet. I wanted to wait and see the results in the upcoming weeks. But it sure was looking up! I now weighed under 9 stone for the first time in years!

Week Two:

After two weeks of using both supplements, I started the week off with even more energy, and actually sleeping more soundly than before. I was no longer waking up during the night and tossing and turning because my body was actually able to relax (this is a result of getting rid of the toxins, I think). Plus I still managed to lose another 7 pounds, putting me at an unbelievable 10.5 pounds of weight loss, in just 2 weeks.

I must admit that I'm starting to believe that this diet is more than just a gimmick.

Week Three:

After 3 weeks, all my doubts and skepticism had absolutely vanished! I am down, 2 full dress sizes after losing another 3.5 lbs. And I still have a ton of energy. Quite often, around the third week of other diets, you tend to run out of steam. But with the [Cho Yung](#) and [ProCleanse Gold](#) diet my energy levels don't dip, instead they remain steady throughout the day. I no longer need that cat nap around 3pm in the afternoon! I am even noticing that my stomach is digesting food so much better. No bloating or embarrassing gas after I eat.

Week Four:

After the fourth week, my final results were shocking. I lost an unbelievable 1 stone 4 pounds since starting the Cho Yung and ProCleanse Gold diet! Actually everyone at Consumer Reports Daily is kicking themselves for not having volunteered to be the guinea pig. Using the Cho Yung and ProCleanse Gold in week 4 I lost 4 more pounds. The results are consistent! But to be honest, I really didn't have much more than that left to lose. I am definitely going to continue taking the Cho Yung afterwards because it has so many antioxidants and vitamins that makes my skin look unbelievable.

I couldn't be any happier with the results.

I Lost 1 stone 4 pounds in 4 Weeks, No Special Diet, No Intense Exercise.

In conclusion, if you are a little doubtful about the effects of this diet, you need to try it for

yourself; from our own test, the results are real. We at Consumer Reports Daily had our doubts initially, but we were quickly turned into believers. After conducting our own study, we are pleased to see that people really are finding success with the diet.

You can reach your weight loss goals with the Cho Yung and ProCleanse Gold combo diet,

Human waste is a sinister

world of monstrous creatures that feed on living flesh —

Parasites feed on humans, and your body may house more than you know. The US alone contains widespread parasites across the nation.

Why add Probiotics?

Aging, dieting, stress, travel, and certain medications can disrupt the natural balance of our digestive system. Probiotics are "friendly" bacteria that promote a healthy digestive flora, to support healthy digestion. In fact, the word "probiotic" means "for life".

Digestit contains 9 billion live probiotic cells, more than 5 times the live active cultures typically found in yogurt, but without the sugar and calories.

Probiotics aid in human digestion result in a boost of your immune system, making this a very important part of your diet.

How I Lost 5 Stone 4 Pounds In Under 15 Weeks?

DON'T WASTE YOUR MONEY ON WEIGHT LOSS PRODUCTS THAT DON'T WORK!

"HOW TO LOSE WEIGHT FAST?"

Hello there, my name is Amy and I live in Hertfordshire. Before You go wasting your money on products that say they work....but don't....please read my story of how I lost 5 stone 4 pounds of fat in just 15 weeks.....I know it sounds bizarre, but it's true!

Before I tell you how I did it, I want you to know that my success came only after many diet failures. I think I went on every diet in existence at least once...maybe even twice. I cut calories, exercised, and mixed a lot of tasteless shakes. I was what you call a typical yoyo dieter.

Let Me just show you of how I looked before and after taking these 2 weight loss products. I lost 5 stone 4 Pounds!

This was a period of 15 weeks before and after taking [Acai Optimum](#) & [Colon Cleanse](#)

So Whats The Secret?

Long Story Short: I used 2 diet supplement products that I saw on TV and online. Acai Optimum and Colon Cleansing, helped me lose 5 stones in under 15 weeks. The best part is, I was able to get them with a free trial:

Step 1: [Acai Optimum Trial](#)

Step 2: [Colon Cleanse Trial](#)

USE BOTH THE TRIALS TOGETHER AS I DID TO GET THE BEST RESULTS

The first I heard about Acai Optimum and Colon Cleanse was through another weight loss blog. It was by a lady called Jane who had lost 3 Stone in 12 weeks (which don't get me wrong I would have been more than happy with!)

She discovered the 'double diet'. She tried both the special blend of Acai Optimum tea and Pro Cleanse to increase chances of losing weight, and the two go together extremely well.

When I combined these two methods, I needed to find a way to test it without spending lots of money. I searched for a few days and found some great free trials of products to test.

If you are interested in getting a Free trial, I have listed the links below that I found:

Step 1: [Click Here For A Acai Optimum Free Trial](#) - Trial Expires 25/04/2010 - Use Voucher Code 'TODAYONLY'

Step 2: [Click Here For A Colon Cleanse Free Trial](#) - Trial Expires 25/04/2010 - Use Voucher Code 'DISCOUNTNOW'

Remember....to get the best results the trick is to use them BOTH TOGETHER.

I know how times are tough at the moment so I tracked down a voucher code to reduce shipping to £2.95 on Acai Optimum, just enter the voucher code 'TODAYONLY' on the final page. For Pro Cleanse enter the voucher code 'DISCOUNTNOW' on the last page to get shipping reduced to £2.95 also.

The Breakdown:

So basically I recorded all my Weight loss weekly, these were the results:

= In the first week alone I lost 7 Pounds! By Week 4 I had lost a total of 21 Pounds (1 Stone, 7 Pounds)

= In Month 2 I lost a total of 22 Pounds (I don't have a clue what I done different but a stone is a stone!)

= In My Final Month I Lost 18 Pounds again which bought me to the total of 48 Pounds lost!

= In the Final 3 Weeks I Lost 15 Pounds. This Was A Total Of 76 Pounds In 15 Weeks... and what's more....I have maintained my weight!

My Daily Routine:

So this was my daily routine. I am not going to say I didn't break the rules, as I was still eating quite a lot of carbs but this was how it was done:

The timing is crucial so this is exactly what I done! Here's how I combine them so effectively:

Trial of [Acai Optimum](#) is the first and most important part of my routine. I used Acai Optimum 2 times a day. Morning and at night.

Acai Optimum helps me:

- Regulate my metabolism
- Suppress my hunger during the day
- Boost my energy so I could focus on my kids, job, husband, and just more 'me' time.
- Lose weight from because of the high levels of antioxidants found in the acai berry.
- I got a free 30-day trial of Acai Optimum and I simply love the fact that I can take a couple pills and go on with my day with no worries. This would not work nearly as effective on it's own, as when I combined it with step 2.

Trial of [Colon Cleanse](#) is the second important step in my routine. Without this step I wouldn't have lost the weight the speed that I did. It literally took inches of my waste instantly. I had one colon cleanser every evening so I was still burning calories in my sleep. It really made a crucial difference for cleansing the toxins in my body. While Acai Optimum gives me energy and helps suppress my hunger, My Colon Remedy:

- Removes the harmful toxins in my body
- Removes walls of aged sludge in my colon
- Helped me lose several inches off my waist that exercise couldn't
- Helped reduce my blood pressure and cholesterol levels
- I got free trial packs of Colon Cleanse and I take 1 pill in the morning and 1 in the evening when I take my acai tablets. They are the perfect weight-loss combination, helping me shed flab and cleanse my system of harmful waste build up. (That's why I call it the 'double diet')

Now It's Up To You:

Well I have shown you it can be done....I am not trying to sell a product to you like a sales person... These products have worked on me! I am the proof in the pudding!

Also I have found these Free Trials To enable you to see how effective these products actually are, In the first month alone I lost 1 stone 7 pounds. After Seeing the effect I bought the products but you don't have to.

I used to come up with all the excuses about not being able to lose weight but there is NOW NO EXCUSE! If people want to lose weight they can!

Good Luck!

I actually feel ashamed after just getting back from my summer holiday, I wore a sarong the whole time. I realized that I had to do something about my weight, and this seems like the most common sense way of losing weight. An acai supplement and a colon cleanser. Lets hope next year I can wear my bikini that I used to fit into, thanks for sharing this info Amy x

I actually took your advice and ordered the two 4 weeks ago. I have just finished the free trials and lost 1 Stone 4 Pounds. Which I am over the moon with!

@Gemma, good question. After looking into it I found that around 85% of people that sign up for the free trials end up being so happy with these 2 products that they end up buying it. I personally think that the other 15% either just want to lose a little weight so only use the products for the 1 month free trial. This is why they can afford to do it.

@Sarah. Again another good question. And the answer is that by taking the Colon Cleanse tablets in the evening, you will continue to burn calories whilst you are sleeping, so Acai Optimum works actively in the day, and colon cleanse actively at night. A 24 hour process.

Hope this answers your questions. Any more questions please do keep submitting,

Thanks,

Amy

Don't Break the Bank: A Mom's Trick to Whiter Teeth

STORY HIGHLIGHTS

- Mom discovers trick to get white teeth from home.
- Coupons bring down the cost to less than \$5.
- Combining [BriteWhite](#) & [Illumibrite](#) is the key.

(CPR) -- Amidst the second worst recession in United States history, thrifty consumers are turning to the internet to take advantage of special offers.

Jennifer, an ordinary mom discovered a clever trick to get risk-free trials for under \$5. Thanks to the trick she discovered, thousands of consumers have been able to whiten their teeth from home.

Step 1:

First Get [BriteWhite](#) (Use our exclusive Promo Code "EverBrite")

Step 2:

Then get [Illumibrite](#) (Use our exclusive Promo Code "Brite500")

This Is Key:

Use both for results like Jennifer!

Jennifer, an elementary school teacher and full-time mother, is one such consumer. It all started about three months ago when she bought an authentic Coach pocketbook on sale for only \$55 (75% off the retail price) and found a great deal on a set of cookware (50% off the retail price). She was determined to seek out other great offers and recently made her best find. Jennifer uncovered a clever way of combining two different teeth whitening offers from two different companies – [BriteWhite](#) and [Illumibrite](#) - to get similar results to that of professional whitening done by a dentist. Rather than spending \$587 at her local dentist to get a sexy white smile, she did it right from home and for less than \$5 each by using only free* trial offers she found online.

Jennifer: "I like to consider myself a smart shopper, always finding the best bang for my buck. My online teeth whitening discovery was without a doubt one of the best finds I made this year."

How did Jennifer wind up with yellow teeth?

"Honestly, I have no one to blame for this problem but myself. I smoked for 8 years, drink 2 cups of coffee a day (only way to stay awake at work), and love a glass of red wine to help me sleep at night. Also, I'd be lying if I said that I brushed my teeth 3 times a day every day. Although I recently quit smoking and cut back on the amount of coffee I drink every day, my teeth seem to be permanently yellow. I've tried everything out there: "whitening" toothpaste, mouthwash products, you name it. Nothing seemed to work and I only saw a little bit of improvement, if any.

Jennifer's Teeth Closeup:

During the 15 day period Jennifer documented this progress with her camera:

Before and..

AFTER Jennifer applied the 2 Products

the second picture is taken exactly 15 days after the first. Notice the strong difference after applying the 2 trials during that time.

[Medical Video Explaining Cavities](#)

A co-worker of mine suggested that I do some research online before making my next purchase. As an elementary school teacher, my salary is modest; and with a sizeable mortgage to payoff, cost was my number one concern. While searching the Web, I found a couple of teeth whitening companies giving away free* trials that only required that you pay shipping and handling. I decided to order the two products that had the best ratings and the most positive feedback from all the users. I decided to go with [BriteWhite](#) and [Illumibrite](#), both of which had 9/10 ratings

After using the first product, the results were noticeable, but after I paired it with the second product, I was completely blown away. I'm not a medical expert but it appears that each product focused on DIFFERENT parts of the problem and that the second one put the whitening effect into overdrive. By using them both in a row I had absolutely unbelievable results. I can't believe companies are practically giving these products away!"

Jennifer: "I'm an optimist and always look for the silver lining in any situation. While this recession has negatively impacted me like everyone else, my savvy shopping skills got me the smile I always wanted."

Online teeth whitening companies are DESPERATELY seeking new customers and are giving away free* trials as a way to find new clients and unload excess inventory. You can and should take advantage of the downturn in the economy just like Jennifer.

When asked to elaborate on her discovery Jennifer said:

"I was impressed with the results after the first 3 days – but once I saw my teeth after a week, I was absolutely blown away... I knew I was onto something. The trick is to use TWO trial products that complement each other **TOGETHER** to give yourself a whitening smile comparable to that of your favorite actress. First, I use [BriteWhite](#) in the morning. Since it's a tray, I just pop it into my mouth while I'm getting ready and take it out before I leave the house. I simply place it in my mouth so it covers the most surface area. Then, before going to bed at night, I apply [Illumibrite](#) directly on each tooth so it can work its magic while I sleep. It's so easy to use that it's become part of my daily routine!"

Consumer Products Review would like to thank Jennifer for this amazing teeth whitening tip. If you are interested in using Jennifer's trick, we have provided links and coupon code information for the two products she used. After further research, we have learned that these coupon codes will work until November 10, 2010, so you have until November 10, 2010 to obtain these free* trials. Remember, to get results like Jennifer's, you will want to use BOTH products together.

Acai Berry SHOCKER: Will Acai Really Help You Lose Fat, or is it Another Scam?

March 25, 2011

AS SEEN ON:

Tiffany Allen Investigates the top diet trends of 2010 to find out for herself if these new diets work.

You've probably seen at least one internet ad or weight loss blog talking about how great the Acai Berry Diet is, but have you seen any real evidence to support these outrageous claims? Sure, the Acai Berry has been called a "super food" potent with antioxidants, but can it really stimulate fat loss or is this just another fad?

Here at News9 we decided to put the Acai Berry to the test with our own exclusive investigation. I've tried almost every diet out there, but despite my initial skepticism I decided to personally volunteer to test these products and see what all the hype was about.

Since Acai Berry ads are everywhere, there were plenty of offers to consider but I took some time, did my research and found one of the more reputable and credible Acai Berry sites,

called [Acai Ultra](#).

This offer included a Free Trial, which was an added bonus, but the biggest reason I chose Acai Ultra was because I discovered that this was the most concentrated and purest form of Acai on the market. It was important for me to test the purest product so that I would see if this diet had any real potential. Also, unlike other Acai Berry products I had heard about, they did not try and force me into signing up for additional offers.

So many viewers like Michelle Johns (above) sent in Acai Berry and Colon Cleanse before and after photos that we decided to put the Acai Berry Diet to the test for 4 weeks.

The benefits of the Acai Berry diet beat all of our initial skepticism. We found the diet not only helped with weight loss, but it also boosted energy levels and, improved sleep and got rid of digestive problems.

A mother of 3 (above) claims to have lost 32 pounds in 90 days while taking the Acai Ultra and Colopure Detox diet. She states in her blog "I couldn't believe how easy it was. I didn't change my diet, my daily routine and the fat melted off like it was butter. I love this stuff!"

These are some of the benefits that Acai Ultra claimed on their website:

- Accelerated Fat Loss
- Stimulates Overall Metabolism
- Cleanses the Body of Toxins
- Increases Overall Energy
- Potent With Antioxidants

I'll be honest: I was a little doubtful, but I wanted to see for myself if the Acai Ultra weight loss claims were true. In our research we also found that most of the Acai weight loss success stories claimed that they had also used a Colon Cleansing product in addition to the Acai Berry supplement in order to achieve maximum results.

I discovered that taking a Colon Cleansing supplement helps rid the body of harmful toxins and excess waste and also allows the Acai Berry supplement to have more of an impact in stimulating metabolism and accelerating the fat loss process.

For my test, I chose Colopure Detox because they were awarded as the winner of the best cleanse product and also had a Free Trial with a 100% satisfaction guarantee.

Here are some of the benefits Colopure Detox claimed on their website:

- Lose up to 20 lbs of Harmful Waste
- Detoxifies and Cleanses Body
- Relieves Constipation and Bloating
- Increases Your Energy Levels

Within just a few days after I placed the orders I received the Free Trial offers for both Acai Ultra and Colopure Detox.

I also came across special "coupon codes" to order a Free Trial of both products at a discounted shipping cost. (The total cost was about \$6.00)

My Test: 4 Week Acai Berry Diet: Colopure Detox + Acai Ultra

Step 1: Take one [Acai Ultra](#) per Day

Step 2: Take one [Colopure Detox](#) pill per Day

My Test Results Journal:

Week One: Well, after one week with the diet I was surprised by that fact that I immediately started to see and feel some noticeable results! My energy level seemed to steadily climb each day and towards the end of the day I still felt energized and refreshed where as usually I felt tired and completely drained. I continued to eat regularly but I also noticed that my appetite was subsiding and I was thinking about food a lot less. But the real test came when I weighed myself at the end of the week and I was completely shocked when I discovered that I weighed less than 140 lbs for the first time in years!

Week Two: By week two I noticed that my sleep schedule started to become much more regular, and I wasn't waking up in the middle of the night like I had been doing for months. My energy levels and overall mood also continued to soar. Throughout the week I continued dropping pounds which was a very positive sign because although I was excited about the results in week one, that could have just been mostly excess water weight. I must admit, by the end of week two I was starting to believe that maybe there was something to this diet.

Week Three: Week three is when both products really started having a big impact for me. In fact, by the end of week 3 I had dropped down 2 dress sizes! At this point, I was definitely 100% convinced. The results were undeniable. And not only that, but I also continued to experience very high overall energy levels and wasn't constantly hungry like I had been in the past when using other products.

Week Four: By week four I could absolutely say that I was shocked by the results of these products. Everyone here at the office couldn't believe it either. I actually even lost another 3 lbs of body fat which helped me finally get down to my ideal dress size. I can now see first-hand why so many people are raving about these products. The results speak for themselves. And because of all the additional health benefits, I definitely plan to continue taking the Acai Ultra supplement regularly.

Conclusion: I couldn't possibly be any happier. I Lost 17lbs in 30 Days with No Special Diet, and No Strenuous Exercise.

Summary of Our Investigation

Like us here at News 9, you might be a little skeptical about the effects of these products, but after conducting my own personal test I can attest that the results are in fact very real. After conducting our study we can see how so many people are finding success losing excess fat with this new diet.

Feel free to follow the links we've provided to try this incredible diet for yourself. Besides, with the Free Trial offers you have absolutely nothing to lose. Both products are quality health supplements from credible and reputable companies so you can feel confident that you'll be getting two powerful fat loss supplements that actually work!

Good luck with your weight loss.

The face that launched a global ad scam

BY IAN MCILWRAITH

Last updated 11:05 17/09/2010

[Text Size](#) [Print](#) [Share](#)

Melissa Theuriau's face is familiar to regular web surfers, but they are most likely to know her as "Karen" or "Amy" because her image has been stolen for use in bogus advertising.

The face of Theuriau, an accomplished French television presenter, is being used to variously promote Swipe penny auctions, acai berry diets, colon cleansing and slimming teas.

Many of the sites have connections back to the Canadian internet entrepreneur Jesse Willms, some of whose companies were sued last year by Oprah Winfrey and Dr Mehmet Oz for using the television show hosts' images without permission, and in a manner that implied that they endorsed the products.

The issue with many of the sites is that not only do they make inflated claims about the worth of the products, and use deceptive tactics to imply they are endorsed by celebrities or major media outlets, but their so-called "free trials" mask the fact that consumers are actually signing up for a month-by-month contract and are likely to be charged for items they do not think they have ordered.

Consumers who think they have authorised a small postage and handling deduction suddenly find they have been charged up to US\$100 (NZ\$138) for a month's supply.

Last month the US Federal Trade Commission obtained freeze orders against an unrelated set of operators, alleging that up to US\$30 million had been scammed from consumers last year.

Some Australians are known to have been caught up in the schemes, with one appearing on a Canadian TV show about Mr Willms's business operations.

Many of the sites promoting the products, often set up as blogs, contain disclaimers such as this one from ellashotsecret.com: "This website, and any page on the website, is based loosely off a true story, but has been modified in multiple ways including, but not limited to: the story, the photos, and the comments. Thus, this blog, and any page on this website, are not to be taken literally or as a non-fiction story."

The Ella Johnson depicted on that site, which also features the masthead of *The Australian* newspaper, is identical to the Ella

WASHINGTON (CNN) -- Consumers should be skeptical of health and weight-loss claims of the increasingly popular Brazilian fruit, acai, and the free trial offers that ask for their credit card information, a nonprofit health group said Monday.

Companies selling acai fruits are under investigation after numerous consumer complaints.

The Center for Science in the Public Interest said companies offering free trials of diet pills made with the acai berries have bilked thousands of consumers using fake celebrity endorsements and blogs to lure customers.

Consumers are asked to provide a credit card to pay shipping and handling charges, but begin almost immediately receiving \$80 to \$90 monthly charges. Thousands of consumers have had trouble stopping those charges once they canceled the free trial offer.

Acai (pronounced a-sigh-EE) comes in a number of forms including juice, pulp, powder and capsule. The berry has been touted as an antioxidant, anti-inflammatory and an antibacterial. The fruit is said to contain Omega-3 and Omega-6 fatty acids, which are essential to human health.

Claims of weight loss are unfounded, said the [CSPI](#).

"There's no evidence whatsoever to suggest that acai pills will help shed pounds, flatten tummies, cleanse colon, enhance sexual desire, or perform any of the other commonly advertised functions," according to the organization's press release.

Acai's popularity has surged on bogus marketing claims, said Jonny Bowden, a certified nutrition specialist and author of several health books.

"Virtually every berry -- blueberry, strawberry, goji, acai -- are anti-inflammatory and high in antioxidants," Bowden said. "This particular one is exotic. It's found in Brazil. It's been marketed to have more of a magic ingredient. It's been over-hyped and marketed to death. There are claims to curing cancer, curing baldness that is all over the place."

Like most berries, acai has good nutritional qualities, but "there is not a drop of research" that supports marketing claims that it prevents weight gain and facial wrinkles, Bowden said.

Acai juices sell for as much as \$40 per bottle.

"The expensive acai berry is triumph of marketing over science, that's the bottom line," Bowden said. "It's not useless, but it's not anything that people are claiming it is."

Companies including FWM Laboratories of Fort Lauderdale, Florida, and Hollywood, Florida, Advanced Wellness Research of Miami Beach, Florida, and other acai companies are accused of using fake diet blogs to steer consumers to sites plugging the free trials.

Ray's cooking show mentioned the fruit, ads popped up directing consumers to sites selling acai weight loss products as if endorsed by the celebrities. Winfrey and Ray have publicly disassociated themselves from those sites.

Connecticut Attorney General Richard Blumenthal is investigating numerous complaints and said a lawsuit against FWM Laboratories is very likely.

According to the Better Business Bureau, FWM Laboratories received an F rating, the BBB's worst. Other acai companies with the BBB's F rating include Advanced Wellness Research, AcaiBurn, FX Supplements and SFL Nutrition.

"There are no magical berries from the Brazilian rain forest that cure obesity, only painfully real credit card charges and empty weight loss promises," Blumenthal said. "Aggressive acai berry pitches on the Internet entice countless consumers into free trials promising weight loss, energy and detoxification. These claims are based on folklore, traditional remedies and outright fabrications unproved by real scientific evidence."

Keri Gans, dietitian and spokeswoman for the American Dietetic Association, recommends that customers turn to fruits and vegetables at their local produce markets.

"If you're going on the Internet to find them and paying shipping fees, you should go to a market and buy local vegetables and fruits," she said. "It'd be a lot less expensive."

Acai berries could be part of a well-balanced [diet](#) of different fruits, vegetables and whole grains. Gans said consumers should be skeptical whenever any one food seems too good to be true and should not rely on one "miracle food" to boost health.

"If [people] hope to find answers in one food for longevity, I would say they're mistaken," she said.
