Re: *In the Matter of Universal Health Services, Inc., et al., Docket No. C-4372*

Dear Mr. Elizondo:

Thank you for the comment that you submitted in connection with the Application for Approval of Divestiture of the Peak Behavioral Health Assets, dated March 14, 2013 (“Application”) filed in the above-referenced matter. Pursuant to the Decision and Order (“Order”) in this matter, Universal Health Services, Inc. (“UHS”), has requested the approval of the Federal Trade Commission (“Commission”) of the proposed divestiture of the Peak Behavioral Health Assets to Strategic Behavioral Health, LLC (“Strategic”).

In connection with its evaluation of this proposed divestiture, the Commission received information from numerous sources, including the parties to the transaction and third parties, in addition to letters submitted by commenters during the public comment period. In evaluating the Application, the Commission analyzed all of the information available to it, including your comment. As a result of that analysis, the Commission concluded that the proposed divestiture to Strategic is consistent with the requirements of the Order and would effectuate the remedial purposes of the Order. It has, thus, determined to approve the Application.

The Commission appreciates your comment and interest in this matter.

By direction of the Commission, Commissioner Wright not participating.

Donald S. Clark
Secretary
