

Emily, an ordinary mom from Boston, MA discovered a clever trick to get a celebrity smile for less than \$3.

Thanks to the trick she discovered, thousands of consumers have been able to whiten their teeth from home.

**Step 1:**

First get [Dazzle White](#) (use promo code: **dazzle4me**)

**Step 2:**

Then get [Beverly Hills Smile](#) (use promo code: **BHS881**)

**(This is key. Use both for results like Emily's)**

Emily, a Boston school teacher and full time mother, is one such consumer. It all started about three months ago when she bought an authentic Coach pocketbook on sale for only \$55 (75%

off the retail price). She was determined to seek out other great offers and recently made her best find. Emily discovered a clever way of combining two different teeth whitening offers from two different companies – [Dazzle White](#) and [Beverly Hills Smile](#) – to get results similar to that of a professional whitening done by a dentist. Rather than spending \$500 at her local dentist to attain a sexy smile, **she was able to do so for less than \$3 by using free trial\* offers she found online.**

Emily: "I like to consider myself a smart shopper, always finding the best bang for my buck. My online teeth whitening discovery was without a doubt one of the best finds I made this year."

### **How did Emily wind up with yellow teeth?**

*While my mom always told me be to be proud of who I am and what I look like, I have always been self conscious about my yellow teeth. Truthfully, I have no one to blame for this problem but myself. I smoked for 8 years, drink 2 cups of coffee a day (only way to stay awake at work), and love a glass of red wine to help me sleep at night. Furthermore, I would be lying if I said that I brushed my teeth 3 times a day every day. While I recently quit smoking and have cut back on the amount of coffee I drink, my tooth discoloration seems to be permanent. I used just about every "whitening" toothpaste and mouthwash product on the market and saw little if any improvement.*

*A co-worker of mine recently recommended to do some research online before making my next purchase. As an elementary school teacher with a modest salary and a sizeable mortgage, cost was a major concern. While searching the Web I found a few online teeth whitening companies giving away free trials\* where you only had to pay a few dollars for shipping. I ordered two products, [Dazzle White](#) and [Beverly Hills Smile](#), both of which had 9/10 ratings and positive feedback from all users. After using the first product the results were noticeable, but after following with the second product I had a celebrity white smile. I'm far from a medical expert, but it appears that each product focused on **DIFFERENT** parts of the problem and that the second one put the whitening effect into overdrive. By using them both in a row I had absolutely unbelievable results. I can't believe companies are practically giving these products away!*

Emily: "I'm an optimist and always look for the silver lining in any situation. While this recession has negatively impacted me like everyone else, my savvy shopping skills got me the smile I always wanted."

Online teeth whitening companies are **DESPERATE** for new customers and are giving away free trials\* as a way to find new clients and offload excess inventory. **You can and should take advantage of the downturn in the economy just like Emily.**

When asked to elaborate on her discovery Emily said:

"I was impressed with the results after the first 3 days – but once I saw my teeth after a week, I was absolutely blown away... I knew I was onto something. The trick is to use TWO trial products that compliment each other **TOGETHER** to give yourself a whitening comparable to that of your favorite actress."

## Everyone Is Talking About Whiter Teeth!

When it comes to being cool it's no longer about having a shiny new car or the latest designer labels. In fact, a lot of people think stuff like that is simply superficial. In fact, the coolest way to impress people and make the best first impression these days is to have whiter teeth. That's what everyone is looking for!

Over the past five years, the American Society Of Cosmetic Dentistry has seen requests for teeth-whitening procedures increase steadily! Doctors have since gotten on board and started performing more teeth-whitening procedures than ever before.

Celebrities have been known to shell out thousands of dollars to have the whitest teeth possible. They want their smiles to be so white that they shine across the red carpet.

The only challenge is determining how white is right for you. Doctors use a 16-shade whitening guide that sets the standards for whiteness. But, in reality your teeth should never be whiter than the whites of your eyes – otherwise,
