RE: Public Comment

It's difficult enough for some of us arthritic 66 year olds to see well enough to get to the correct free credit report site much less plow through a bunch of ads, commercials, marketing gimmicks and other nonsense. Please remove all marketing and ads associated with the free credit report.

Can you get a handle on the look-alike sites?

I was amazed at the incorrect information on my credit report. Thank you for establishing this program.

Sincerely,
