Dear FTC Commission,

This is a very earnest plea -
in regard to the closing of our Acme/Tops
supermarket on Keystone Ave, Sayre, Pa.
There are a lot of us older people on
this side of Sayre who depend on the
Keystone Avenue market. It is easier for us
to get to so we can get our groceries.

Please, Please, Please don't close
our Acme/Tops supermarket. It's even
within walking distance for many of us.
My car and I are both old. It's safer
for us not to go too far.
Sincerely yours,
