I am writing to say Please save our store
I am a senior citizen that has went
to Quality on Rochester Rd. for many years.
The Tops store on Transit Rd. has so much
traffic because it has about 25 eating
places and is so busy.

Older people do not like the super big
box store for the length & depth of it.

A lot of people can be independent
by going there because they don't want to
tackle "The Transit"

I do think this store is quite busy
so please don't close it.

Thank you
Mrs. Rosemary Coulson
