To:

Hill's Pet Nutrition, Inc.

Ms. Meredith Boylan

Dear Ms. Boylan:

Each veterinarian clinic will have their own policy on whether or not they will sell the product to people who are not their clients, so you can check with different veterinarians in your area to see what their policy is. You can obtain a list from our website under the Where To Buy section.

We appreciate that you took the time to contact us. If you have any further questions or comments, please feel free to call our Consumer Affairs Department toll free at [1-800-445-5777](tel:1-800-445-5777) or visit our website at [HillsPet.com](http://HillsPet.com).
