**DECISION**

The Federal Trade Commission (“Commission”) initiated an investigation of the proposed acquisition by GPM Southeast, LLC, and GPM Petroleum, LLC, indirectly controlled by Arko Holdings Ltd., of certain assets of Empire Petroleum Partners, LLC (each a “Respondent” and collectively “Respondents”). The Commission’s Bureau of Competition prepared and furnished to Respondents the Draft Complaint, which it proposed to present to the Commission for its consideration. If issued by the Commission, the Draft Complaint would charge Respondents with violations of Section 7 of the Clayton Act, as amended, 15 U.S.C. § 18, and Section 5 of the Federal Trade Commission Act, as amended, 15 U.S.C. § 45.

Respondents and the Bureau of Competition executed an Agreement Containing Consent Orders (“Consent Agreement”) containing (1) an admission by Respondents of all the jurisdictional facts set forth in the Draft Complaint, (2) a statement that the signing of said Consent Agreement is for settlement purposes only and does not constitute an admission by Respondents that the law has been violated as alleged in the Draft Complaint, or that the facts as alleged in the Draft Complaint, other than jurisdictional facts, are true, (3) waivers and other provisions as required by the Commission’s Rules, and (4) a proposed Decision and Order and Order to Maintain Assets.

The Commission considered the matter and determined that it had reason to believe that Respondents have violated the said Acts, and that a Complaint should issue stating its charges in that respect. The Commission accepted the Consent Agreement and placed it on the public record for a period of 30 days for the receipt and consideration of public comments; at the same time, it issued and served its Complaint and Order to Maintain Assets. The Commission duly considered any comments received from interested persons pursuant to Commission Rule 2.34, 16 C.F.R. § 2.34. Now, in further conformity with the procedure described in Rule 2.34, the Commission makes the following jurisdictional findings and issues the following Decision and Order (“Order”):

### **VIII. Monitor**

**IT IS FURTHER ORDERED** that:

- A. At any time after the Respondents sign the Consent Agreement in this matter, the Commission may appoint a Monitor to assure that the Respondents expeditiously comply with all of their obligations and perform all of their responsibilities as required by this Order, the Order to Maintain Assets, and the Divestiture Agreements.
- B. The Commission shall select the Monitor, subject to the consent of Respondents, which consent shall not be unreasonably withheld. If Respondents have not opposed, in writing, including the reasons for opposing, the selection of a proposed Monitor within 10 days after notice by staff of the Commission to Respondents of the identity of any proposed Monitor, Respondents shall be deemed to have consented to the selection of the proposed Monitor.
- C. No later than 5 days after the Commission appoints the Monitor, Respondents shall:
1. Confer on the Monitor all rights, power, and authorities necessary to permit the Monitor to monitor Respondents' compliance with the terms of this Order and the Order to Maintain Assets as set forth in Paragraph VIII.D;

2. Consent to the terms and conditions regarding such rights, powers, and authorities of the Monitor set forth in Paragraph VIII.D; and
3. Enter into an agreement with the Monitor that is approved by the Commission. If Respondents and the Monitor fail to sign an agreement within the allotted time, the Commission will approve, and Respondents agree to consent to, an agreement with terms and provisions typical of Commission monitor agreements and require that the Monitor's fees will be his or her standard and customary fees plus expenses reasonably incurred performing duties as the Monitor.

D. The Monitor:

1. Shall have the authority to monitor Respondents' compliance with the obligations set forth in this Order and the Order to Maintain Assets;
2. Shall act in consultation with the Commission or its staff;
3. Shall serve as an independent third party and not as an employee, agent, or fiduciary of Respondents or of the Commission;
4. Shall serve at the expense of Respondents, without bond or other security;
5. May employ, at the cost and expense of Respondents, such consultants, accountants, attorneys, and other representatives and assistants as are reasonably necessary to carry out the Monitor's duties and responsibilities;
6. Shall enter into a confidentiality agreement related to Commission materials and information received in connection with the performance of the Monitor's duties and each of the Monitor's consultants, accountants, attorneys, and other representatives and assistants shall enter into such a confidentiality agreement;
7. Shall notify Respondents and staff of the Commission, in writing, of any potential financial, professional, personal, or other conflicts of interest within 5 days should they arise;
8. Shall report in writing to the Commission concerning Respondents' compliance with this Order: (i) 30 days after appointment and every 30 days thereafter until Respondents have completed all obligations required by Paragraphs II and IV of this Order; (ii) when Respondents have completed the obligations required by Paragraphs II and IV of this Order; and (iii) at any other time requested by the staff of the Commission; and
9. Shall serve until 30 days after Respondents have satisfied all obligations under Paragraph II and IV of this Order, or until such other time as may be determined by the Commission or its staff.

- E. Respondents shall (i) provide the Monitor full and complete access to all information and facilities, and, as necessary, make such arrangements with third parties, to allow the Monitor to monitor Respondents' compliance with its obligations under this Order; and (ii) cooperate with, and take no action to interfere with or impede the ability of, the Monitor to perform his/her duties pursuant to this Order.
- F. Respondents shall indemnify and hold the Monitor harmless against losses, claims, damages, liabilities, and expenses (including attorneys' fees and out of pocket costs) that arise out of, or are connected with any claim concerning the Monitor's performance of the Monitor's duties under this Order, whether or not such claim results in liability, *except*, to the extent that such losses, claims, damages, liabilities, or expenses result from the Monitor's gross negligence or willful misconduct.

For purposes of this Paragraph, the term "Monitor" shall include all persons retained by the Monitor pursuant to Paragraph VIII.D of this Order.

- G. Respondent may require the Monitor and each of the Monitor's consultants, accountants, attorneys, and other representatives and assistants to enter into a customary confidentiality agreement, *provided, however*, that such agreement does not restrict the Monitor from providing any information to the Commission.
- H. Respondent shall not require nor compel the Monitor to disclose to Respondents the substance of communications with the Commission, including written reports submitted pursuant to Paragraph VIII.D.8, or any Person with whom the Monitor communicates in the performance of his/her duties.
- I. If the Commission determines that the Monitor has ceased to act or failed to act diligently, the Commission may appoint a substitute Monitor and such substitute Monitor shall be afforded all rights, powers, and authorities and subject to all obligations of this Paragraph VIII:
  - 1. The Commission shall select the substitute Monitor, subject to the consent of the Respondents, which consent shall not be unreasonably withheld. Respondents shall be deemed to have consented to the selection of the proposed substitute Monitor if, upon notice by staff of the Commission of the identity of the substitute Monitor, Respondents have not opposed, in writing, including the reasons for opposing the selection of the substitute Monitor within 10 days after such notice; and
  - 2. No later than 5 days after the Commission appoints a substitute Monitor, Respondents shall enter into an agreement with the substitute Monitor that (i) contains substantially the same terms as the agreement with the Monitor first appointed and referenced in Paragraph VIII.A, above; or (ii) is approved by the Commission and confers on the substitute Monitor the rights, powers, and authority of a Monitor under this Order.

- J. The Commission may on its own initiative or at the request of the Monitor issue such additional orders or directions as may be necessary or appropriate to assure compliance with the requirements of this Order.

### **IX. Divestiture Trustee**

#### **IT IS FURTHER ORDERED** that:

- A. If Respondents have not fully complied with the divestiture and other obligations as required by Paragraph II of this Order, the Commission may appoint a Divestiture Trustee to divest the relevant Retail Fuel Assets and perform Respondents' other obligations in a manner that satisfies the requirements of this Order. The Divestiture Trustee appointed pursuant to this Paragraph may be the same Person appointed as Monitor.
- B. In the event that the Commission or the Attorney General brings an action pursuant to § 5(l) of the Federal Trade Commission Act, 15 U.S.C. § 45(l), or any other statute enforced by the Commission, Respondents shall consent to the appointment of a Divestiture Trustee in such action to divest the relevant assets in accordance with the terms of this Order. Neither the appointment of a Divestiture Trustee nor a decision not to appoint a Divestiture Trustee under this Paragraph shall preclude the Commission or the Attorney General from seeking civil penalties or any other relief available to it, including a court-appointed Divestiture Trustee, pursuant to § 5(l) of the Federal Trade Commission Act, or any other statute enforced by the Commission, for any failure by the Respondents to comply with this Order.
- C. The Commission shall select the Divestiture Trustee, subject to the consent of Respondents, which consent shall not be unreasonably withheld. The Divestiture Trustee shall be a person with experience and expertise in acquisitions and divestitures. If Respondents have not opposed, in writing, including the reasons for opposing, the selection of any proposed Divestiture Trustee within 10 days after notice by the staff of the Commission to Respondents of the identity of any proposed Divestiture Trustee, Respondents shall be deemed to have consented to the selection of the proposed Divestiture Trustee.
- D. Within ten days after appointment of a Divestiture Trustee, Respondents shall execute a trust agreement that, subject to the prior approval of the Commission, transfers to the Divestiture Trustee all rights and powers necessary to permit the Divestiture Trustee to effect the relevant divestiture or other action required by the Order.
- E. If a Divestiture Trustee is appointed by the Commission or a court pursuant to this Order, Respondents shall consent to the following terms and conditions regarding the Divestiture Trustee's powers, duties, authority, and responsibilities:

1. Subject to the prior approval of the Commission, the Divestiture Trustee shall have the exclusive power and authority to assign, grant, license, divest, transfer, deliver, or otherwise convey the relevant assets that are required by this Order to be assigned, granted, licensed, divested, transferred, delivered, or otherwise conveyed, and to take such other action as may be required to divest the Retail Fuel Assets and perform Respondents' other obligations in a manner that satisfies the requirements of this Order;
2. The Divestiture Trustee shall have 12 months from the date the Commission approves the trustee agreement described herein to accomplish the divestiture, which shall be subject to the prior approval of the Commission. If, however, at the end of the 12-month period, the Divestiture Trustee has submitted a plan of divestiture or believes that the divestiture can be achieved within a reasonable time, the divestiture period may be extended by the Commission, or in the case of a court-appointed Divestiture Trustee, by the court;
3. Subject to any demonstrated legally recognized privilege, the Divestiture Trustee shall have full and complete access to the personnel, books, records, and facilities related to the relevant assets that are required to be assigned, granted, licensed, divested, delivered, or otherwise conveyed by this Order and to any other relevant information, as the Divestiture Trustee may request. Respondents shall develop such financial or other information as the Divestiture Trustee may request and shall cooperate with the Divestiture Trustee. Respondents shall take no action to interfere with or impede the Divestiture Trustee's accomplishment of the divestiture. Any delays in divestiture caused by Respondents shall extend the time for divestiture under this Paragraph IX in an amount equal to the delay, as determined by the Commission or, for a court-appointed Divestiture Trustee, by the court;
4. The Divestiture Trustee shall use commercially reasonable best efforts to negotiate the most favorable price and terms available in each contract that is submitted to the Commission, subject to Respondents' absolute and unconditional obligation to divest expeditiously and at no minimum price. The divestiture shall be made in the manner and to an Acquirer as required by this Order; *provided, however,* if the Divestiture Trustee receives bona fide offers from more than one acquiring entity, and if the Commission determines to approve more than one such acquiring entity, the Divestiture Trustee shall divest to the acquiring entity selected by Respondents from among those approved by the Commission; *provided further, however,* that Respondents shall select such entity within 5 days of receiving notification of the Commission's approval;
5. The Divestiture Trustee shall serve, without bond or other security, at the cost and expense of Respondents, on such reasonable and customary terms and conditions as the Commission or a court may set. The Divestiture Trustee shall have the authority to employ, at the cost and expense of Respondents, such consultants, accountants, attorneys, investment bankers, business brokers, appraisers, and

other representatives and assistants as are necessary to carry out the Divestiture Trustee's duties and responsibilities. The Divestiture Trustee shall account for all monies derived from the divestiture and all expenses incurred. After approval by the Commission and, in the case of a court-appointed Divestiture Trustee, by the court, of the account of the Divestiture Trustee, including fees for the Divestiture Trustee's services, all remaining monies shall be paid at the direction of the Respondents, and the Divestiture Trustee's power shall be terminated. The compensation of the Divestiture Trustee shall be based at least in significant part on a commission arrangement contingent on the divestiture of all of the relevant assets that are required to be divested by this Order;

6. Respondents shall indemnify the Divestiture Trustee and hold the Divestiture Trustee harmless against any losses, claims, damages, liabilities, or expenses arising out of, or in connection with, the performance of the Divestiture Trustee's duties, including all reasonable fees of counsel and other expenses incurred in connection with the preparation for, or defense of, any claim, whether or not resulting in any liability, except to the extent that such losses, claims, damages, liabilities, or expenses result from gross negligence or willful misconduct by the Divestiture Trustee. For purposes of this Paragraph IX.E.6, the term "Divestiture Trustee" shall include all Persons retained by the Divestiture Trustee pursuant to Paragraph IX.E.5. of this Order;
  7. The Divestiture Trustee shall have no obligation or authority to operate or maintain the Retail Fuel Assets required to be divested by this Order;
  8. The Divestiture Trustee shall report in writing to Respondents and to the Commission every 60 days concerning the Divestiture Trustee's efforts to accomplish the divestiture; and
  9. Respondents may require the Divestiture Trustee and each of the Divestiture Trustee's consultants, accountants, attorneys, and other representatives and assistants to sign a customary confidentiality agreement; *provided, however*, such agreement shall not restrict the Divestiture Trustee from providing any information to the Commission.
- F. The Commission may require the Divestiture Trustee and each of the Divestiture Trustee's consultants, accountants, attorneys, and other representatives and assistants to sign a confidentiality agreement related to Commission materials and information received in connection with the performance of the Divestiture Trustee's duties.
- G. If the Commission determines that a Divestiture Trustee has ceased to act or failed to act diligently, the Commission may appoint a substitute Divestiture Trustee in the same manner as provided in this Paragraph IX, and who will have the same authority and responsibilities of the original Divestiture Trustee pursuant to this Paragraph IX.

- H. The Commission or, in the case of a court-appointed Divestiture Trustee, the court, may on its own initiative or at the request of the Divestiture Trustee issue such additional orders or directions as may be necessary or appropriate to accomplish the divestitures and other obligations or action required by this Order.
