Docket No. 9379

ORDER GRANTING UNOPPOSED MOTION FOR EXTENSION OF TIME

On January 28, 2019, Federal Trade Commission (“FTC” or “Commission”) Complaint Counsel filed an Unopposed Motion for Extension of Time (“Motion”). Specifically, the Motion requests an extension of Complaint Counsel’s time to respond to the motion of Respondent Patterson Companies, Inc. (“Patterson”) to dismiss the case in its entirety, which was filed on December 20, 2018.

The Motion recites that pursuant to the Order issued on December 27, 2018, Complaint Counsel’s response would have been due on January 9, 2019 and that on December 28, 2018, the Commission ordered that the case be stayed for the duration of the partial shutdown of the federal government plus five business days. *See* Order Regarding Scheduling, December 28, 2018. Based on that Order, Complaint Counsel states, the deadline for its response should be extended to February 6, 2019. The Motion further states that Patterson does not oppose the requested extension.

Based on the foregoing, the Motion is GRANTED, and it is hereby ORDERED that Complaint Counsel's time to respond to Patterson's motion to dismiss is extended to February 6, 2019.
