Re: *In the Matter of Chicago Bridge & Iron Company N.V., et al, Docket No. 9300*

Dear Ms. Hohrein:

Thank you for the comment that you submitted to Elizabeth A. Piotrowski, Esquire, dated October 14, 2008, in connection with the September 12, 2008, Application for Approval of Divestiture ("Application") to Matrix Service Company ("Matrix") filed by Chicago Bridge & Iron Company N.V. and Chicago Bridge & Iron Company (collectively, "CB&I"). Pursuant to the Decision and Order ("Order") in this matter, CB&I has requested the approval of the Federal Trade Commission ("Commission") of the proposed divestiture to Matrix.

In connection with its evaluation of this proposed divestiture, the Commission received information from numerous sources, including the parties to the transaction and third parties, in addition to letters submitted by commenters during the public comment period. In evaluating the Application, the Commission analyzed all of the information available to it, including your comment. As a result of that analysis, the Commission concluded that the proposed divestiture to Matrix is consistent with the requirements of the Order and would effectuate the remedial purposes of the Order. It has, thus, determined to approve the Application.

The Commission appreciates your comment and interest in this matter.

By direction of the Commission.

Donald S. Clark
Secretary
