**FTC v. Herbalife**

Dear [name],

The enclosed check is a partial refund for money you paid to Herbalife. According to a lawsuit filed by the Federal Trade Commission (FTC), Herbalife encouraged distributors to buy product even if they couldn't sell it, and misled people about how much they could make. To settle the lawsuit, Herbalife agreed to pay \$200 million to provide refunds. This check is your share of the money.

**Please cash the check by [60 days from date of issue].** After this date, the check could bounce, and you could be charged a bank fee.
