Addiction Recovery

A person stands in the center of a stone tunnel, their arms raised in a 'V' shape. The tunnel is dimly lit, but a bright light emanates from the person's chest area, creating a strong glow. The tunnel walls are made of rough-hewn stone blocks. The overall mood is one of triumph and hope.

RAPID RECOVERY – Attain work-ready functionality in only 3 days. Return home again in only 10 days.

PAINLESS – Detox without pain, illness, sleep-loss or anxiety.

SAFE – Recover under the personal care of one of the most qualified, experienced doctors and medical experts in the world.

EFFECTIVE – Many of our patients recover and regain control of their life and health during the induction period. Tools and nutritional options are provided to ensure long-term results and avoid relapse.

BUSINESS & RESORT ENVIRONMENT – Oceanside living with access to furnished/connected offices, gym and sauna.

DISCREET – Our center is “cloaked” inside a traditional medical clinic and no one will know why you are on premise. No press, prying eyes or paparazzi here.

AFFORDABLE – Get better results in 1/3 the time, at comparable or less cost than other “traditional” risky, painful, lower-success 30-day programs.

We Offer the ONLY
Highly-Discreet 10-Day Outpatient Program
with a 90% Improvement Rate*
