DOCKET NO. 9344

**ORDER CLOSING HEARING RECORD**

On the hearing record on November 4, 2011, the parties were directed to work together in an effort to develop additional joint stipulations to narrow the disputed issues. The parties were further directed that because such joint stipulations would be part of the record in this case, the hearing record would remain open until November 14, 2011, in order to consider and admit the joint stipulations.

On November 14, 2011, the parties submitted JX0003, entitled "Joint Stipulations." This document, JX0003, is hereby admitted into the hearing record.

Also on November 14, 2011, Respondents filed a motion requesting, *inter alia*, that the record remain open until December 1, 2011. Complaint Counsel filed an opposition on November 15, 2011. That motion was denied by separate Order issued on this date. No further stipulations were submitted while that motion was pending. In addition, on November 16, 2011, Respondents filed a Motion to Admit Documents, with respect to which Complaint Counsel filed an opposition on November 17, 2011. That motion was also denied by separate Order issued on this date.

Accordingly, pursuant to Commission Rule 3.44(c), the hearing record is hereby closed. Corrections to the record may still be made, if necessary, pursuant to Commission Rule 3.44(b).
