Re: In the Matter of THV Holdings LLC, File No. 112 3057, Docket No. C-4361

Dear Mr. Corso:

Thank you for commenting on the Federal Trade Commission's proposed consent agreement in the above-referenced proceeding. The Commission has placed your comment on the public record pursuant to Rule 4.9(b)(6)(ii) of the Commission's Rules of Practice, 16 C.F.R. § 4.9(b)(6)(ii), and has given it serious consideration.

Your comment alleges that THV represents that its windows are made of a composite material similar to that used in Andersen's Renewal windows when in reality THV windows are 100% vinyl, and that "they spell composite composizit and dance around the actual material the window is made of." You do not propose any revisions to the draft complaint or the consent agreement, neither of which address the windows' composition. Issuing the complaint and decision and order would not prevent the Commission from investigating or taking enforcement action regarding other practices if the public interest warrants doing so.

Accordingly, the Commission has determined that the public interest would best be served by issuing the Decision and Order in final form without modification. The final Decision and Order and other relevant materials are available from the Commission's website at <http://www.ftc.gov>. It helps the Commission's analysis to hear from a variety of sources in its work, and we thank you again for your comment.

By direction of the Commission, Commissioner Rosch and Commissioner Ohlhausen not participating.

Donald S. Clark
Secretary
