ERIC NEPUTE: Hey, everybody, it's Dr. Eric Nepute. I hope you guys are having a blessed day.</p> <p>I can't believe what I just saw and what I just read. I need you to hit that share button. I cannot say WTF enough on this deal. Holy cow. Unbelievable. Hit that share button.</p> <p>We need to have a conversation. I'm Dr. Eric Nepute. I'm probably one of the most, if not the most transparent and straightforward doctor you're ever going to meet. We need to talk about what the hell is going on in our country and what -- well, what they just announced that's going to be happening that you need to see.</p> <p>So while we're waiting for people to jump on, hit that share button, call your friends, tag them, send a pigeon, do something. Let people know that the truth is getting out there and you need to hear it.</p> <p>So while we're waiting, let me know where you guys are watching from. I see folks from Virginia. New Mexico's in the house. I see Maryland.</p>

1 I love the Maryland crab you guys put there, that's  
 2 great.  
 3 John in Ohio.  
 4 Linda's in Iowa. What's happening? Hope  
 5 you guys are good.  
 6 Wayne, Mary, I see you guys there.  
 7 Bev in Chicago. God bless you guys in  
 8 Chicago.  
 9 Hit that sound button, you guys.  
 10 Matthew says no sound. Everybody else says  
 11 it sounds good. Sorry, Matthew.  
 12 Dawn, how you doing in Oklahoma?  
 13 All right. So let me just say this, you  
 14 guys, and I need you to stay 'til the end with me on  
 15 this because this is something that I want you --  
 16 you're going to want to save this video and share it  
 17 later on. I can promise you that because I just can't  
 18 believe this and I can't believe that anybody -- in  
 19 fact, I don't think anybody thinks this is a good  
 20 idea, but this is what is being reported now.  
 21 CNBC, MSNBC, mainstream media, everybody is  
 22 all going out and talking about this now. Um,  
 23 Americans are not going to do this. I'm just telling  
 24 you right now there's no way -- no way at all  
 25 Americans are going to do this.

6

1 And by the way, you guys, listen if you want  
 2 to follow us and find us, I know you can't find us on  
 3 social media now. I know it's hard for people to find  
 4 us. Here's where we're at. If you go to our website,  
 5 it's freevitamindeals.com, freevitamindeals.com --  
 6 that's the one that everybody can remember -- you  
 7 can go there and join the movement, get plugged in,  
 8 find out all the information of everything I'm  
 9 talking about and then some right now. So it's  
 10 freevitamindeals.com.  
 11 But listen to this, this is like WTF to the  
 12 90th power. Biden's COVID advisor says United States  
 13 lockdown for four to six weeks could control pandemic  
 14 and revive the economy. What are you talking about?  
 15 Like, what the hell are you -- like, what are you  
 16 smoking? These guys all have -- these guys all have  
 17 either massive brain injuries or they're really that  
 18 stupid, and I think it's probably a combination of all  
 19 that.  
 20 But listen to this, here's what they're  
 21 saying. This Michael Osterholm, this guy is an idiot,  
 22 this guy is an idiot, this guy is a demon-possessed  
 23 just idiot, like holy shhhh -- crap idiot. Here's  
 24 what this joker says. Here's what they want to do.  
 25 They want to -- he wants to lockdown the economy and

7

1 shut down the United States for another four to six  
 2 weeks. He wants you to stay home and get paid for  
 3 that. And here's what he says, listen to -- listen to  
 4 this and watch -- watch what I'm saying to you.  
 5 Listen to me, very important.  
 6 He says, we can borrow enough money to pay  
 7 Americans to stay home for four to six weeks. Okay,  
 8 hold on, hold on, hold on. Where are they going to  
 9 borrow the money from? Everything has -- everything  
 10 in life is all about consequences, opportunities,  
 11 rewards, risks, all that. Everything is. Everything  
 12 is. Listen to this. Listen to this. Where are you  
 13 going to borrow the money from, Doc? Where are you  
 14 going to borrow the money from? It sounds good for  
 15 everybody to stay home. It sounds real good for  
 16 everybody to stay home for the next four to six weeks.  
 17 But what's the cost? What's truly the cost of us  
 18 staying home?  
 19 How about the fact that our economy is done  
 20 if we do that? Like, literally completely done. How  
 21 about the fact that our dollar will be worth nothing?  
 22 You won't need to go buy toilet paper, just use those  
 23 dollar bills or those Benjamin Franklins you got so  
 24 you can wipe your butt with those because they're not  
 25 worth anything. They're not worth anything.

8

1 And, um, how about that our complete society  
 2 will have to be completely flushed and -- and reset,  
 3 and by the way, when we reset, I'm going to say a word  
 4 that's probably going to get me shut off now, so just  
 5 be ready. So by the way, I need you to go to -- so  
 6 you can watch the rest of this video -- go to  
 7 freevitamindeals.com. That's freevitamindeals.com.  
 8 We were going -- we're going to be flushed.  
 9 Our economy will completely be done. It's called a  
 10 reset. It's an economic reset. It's a socioeconomic  
 11 reset and we will come back as Communism. There's no  
 12 question about it. This has happened before in the  
 13 world and that's what happens. That's what happens.  
 14 Guess who we're going to borrow the money  
 15 from. Anybody know? Anybody raise their hand and say  
 16 where we're going to borrow the money from? Do you  
 17 know where we're going to borrow it from? Yep, the  
 18 CCP, the Chinese Government. That's where we're going  
 19 to borrow the -- are you kidding me? These guys are  
 20 complete Communists, terrorists. This is completely  
 21 mental. These folks right now -- if you didn't see  
 22 what I said at the beginning of this, you guys, and  
 23 hit that share button -- what Biden's COVID advisor  
 24 says is they want to lock us down for another four to  
 25 six weeks so they can reset our world.

9

1 Did you hear what I said? They want to  
 2 reset our world. They want to borrow another \$2  
 3 trillion with a T. Borrow it. You guys, if you go to  
 4 the bank and borrow money, where do you borrow -- when  
 5 you borrow money, what happens? You have to sign your  
 6 life away and you have to have some type of a  
 7 downpayment or collateral, right?  
 8 Guess what our collateral is. It's our  
 9 land, it's our dollar, it's our economy, it's our  
 10 taxes. This is the stupidest thing we've ever done.  
 11 I just heard somebody a minute ago talk about they're  
 12 on -- they're a football player. They're really good  
 13 friends of ours and they're a football player. We  
 14 just saw him on YouTube and they said, you know what  
 15 we do, when we got a coach that's winning Super Bowls,  
 16 we keep that coach. You know what you don't do, you  
 17 don't fire a coach when you're winning Super Bowls.  
 18 That don't make no sense at all.  
 19 Well, let me tell you something, China owns  
 20 this person and these people. That's what's  
 21 happening. So you got to understand something. I  
 22 keep hearing about this reset and this economic --  
 23 this is it, this is absolutely a reset. But what I'm  
 24 telling you is this. If you want to stop living in  
 25 fear -- like, here's the thing. There's no doubt. We

10

1 know now the declassified information is out. The  
 2 Wuhan laboratory was working on increasing the  
 3 vitality or the -- the virulence of this virus and has  
 4 been for a while and it got released from the lab on  
 5 purpose because things like this don't accidentally  
 6 happen. This is a biological terrorist weapon on  
 7 humanity, whether you believe it or not. But it's  
 8 treatable. It's a virus.  
 9 And we know that people on high levels of  
 10 vitamin D -- you may go, oh, there's no way it's that  
 11 simple. Yes, it's that simple. There hasn't been one  
 12 damn thing else that's shown the benefits of -- of --  
 13 of preventing COVID-19 except for vitamin D3.  
 14 I don't know what else to tell you. I  
 15 literally have no more hair to pull out of my head.  
 16 Every man, woman, and child should be taking vitamin  
 17 D3 and taking zinc every stinking day, period. By the  
 18 way, not only does vitamin D3 help your body get  
 19 energy, help you with depression, help your body grow,  
 20 help your hormones produce, it also helps you lose  
 21 weight. We need to reset our fat American bodies so  
 22 that we're not so much at risk for this damn virus.  
 23 It's just the truth. If you don't like it, I'm sorry.  
 24 But people who aren't sick don't die from  
 25 COVID-19. You tell me one person -- one person that's

11

1 been healthy that's died from COVID-19. It don't  
 2 happen. And if you tell me, well, you know, there was  
 3 this boy I saw on TV and he died, he was 13. He was a  
 4 340-pound, 13-year-old. He had diabetes, his parents  
 5 killed him, and COVID just put him over the edge, just  
 6 like all the other 96 percent or 94 percent of people  
 7 that died, according to the CDC, had other things they  
 8 died from and COVID was part of the diagnosis.  
 9 I'm sorry, but if you don't like it, go  
 10 somewhere else. You can continue to keep your head up  
 11 your rectum and go to this giant reset that these guys  
 12 -- that Biden's COVID advisor says we should do, shut  
 13 it down for the next four to six weeks.  
 14 Here's the truth. Vitamin D3 will prevent  
 15 it from infecting your body, number one, but your  
 16 levels have to be right. Number two, zinc, you have  
 17 to have zinc in your system because zinc stops the  
 18 virus from regenerating and regrowing.  
 19 Yes, Marsha, yes, yes, yes, D3.  
 20 How much? At least 5,000 to 10,000  
 21 international units a day of liquid D3, but it has to  
 22 be stabilized in some type of an organic, emulsified  
 23 form like extra virgin olive oil is what we put ours  
 24 in.  
 25 But you got to have the right stuff. If you

12

1 don't have the right stuff, it does not work.  
 2 And, Joli, you're right, sunshine's great,  
 3 but you don't make enough vitamin D when you're in the  
 4 sunshine. Everything else has to be right and  
 5 absorbability is where it's at. That's it.  
 6 So if you're not taking enough D, you're  
 7 missing out. And by the way, if you want to know how  
 8 much D and how much zinc and how much C, probi -- go  
 9 right now, go to freevitamindeals.com. Somebody type  
 10 it in below or hit the share button and you'll get a  
 11 message about it, but it's freevitamindeals.com. It  
 12 tells you how much D to take, how much zinc to take,  
 13 probiotics, vitamin C, how to use a nebulizer for  
 14 respiratory distress and infections.  
 15 This is not biblical. We can beat this  
 16 thing and we can get healthier. You can get  
 17 healthier. Like I'm telling you right now, you have  
 18 the opportunity. They're telling you right now, this  
 19 is right now we're hearing this in 2021, that if we  
 20 don't take this vaccine and if we don't have 100  
 21 million people get vaccinated in the next 100 days,  
 22 that in 90 days, we're going to be so sick and so dead  
 23 it's not funny, that's a lie. That is a lie, a lie, a  
 24 lie, a lie, and nobody, nobody, nobody can prove me  
 25 wrong on that.

13

1 So if you -- you got 90 days. Do you know  
 2 what you could do in 90 days? You could reset your  
 3 health in 90 days. In 90 days, the average people  
 4 that do our stuff, in 90 days, that do our reset plan,  
 5 which by the way, I used the term "reset" a hell of a  
 6 lot sooner than these guys used the term "reset." But  
 7 the people -- the average person loses 30 -- 30 to 40  
 8 pounds in 90 days of fat. You can totally do that.  
 9 You know how much -- you get off diabetes  
 10 medication, high blood pressure can go away, chronic  
 11 pain can go away, and much, much more, but you got to  
 12 be willing to put in the work. You're so freaking  
 13 scared and you're so worried about being -- having,  
 14 oh, the big, bad bogeyman flu is going to get you,  
 15 that's bogus. You have a 99.97 plus percent survival  
 16 rate of this virus that has a higher survivability  
 17 rate without a vaccine than the flu does with a  
 18 vaccine.  
 19 And, oh, by the way, mainstream media just  
 20 let out of the bag again last week that the -- that  
 21 the flu vaccine is ten times more dangerous -- sorry,  
 22 the COVID vaccine is ten times more dangerous than the  
 23 flu shot. That's scary.  
 24 What about quinine? What about tonic water?  
 25 What about all that stuff? Hey, I became famous for

14

1 the guy that said you can cure coronavirus with tonic  
 2 water. I never said that.  
 3 But here's the deal. If you want to reset  
 4 your body, you want to avoid these FEMA camps -- did  
 5 you hear this? Did you hear about this stuff? Did  
 6 you hear about -- literally, Joe Biden says -- Joe  
 7 Biden says we're going to go ahead and we're going to  
 8 use FEMA, we're going to use the Federal Government to  
 9 push people towards this vaccine. They're going to  
 10 set up FEMA camps, FEMA tents. They're going to take  
 11 people that haven't been injected, they're going to  
 12 put them in isolation. We're going to do hard and  
 13 soft mandates, just like they did with the masks. He  
 14 wants -- they want you to wear two masks now instead  
 15 of one. They're doubling down, baby. Like how stupid  
 16 is this? Common sense is so gone, it's not that --  
 17 it's so ridiculous.  
 18 Yes, Michelle, go to freevitamindeals.com.  
 19 You can find out there. I'm also giving away -- this  
 20 is how crazy I am, this is how nuts we are. We've  
 21 already given away a million bottles of vitamin D3 and  
 22 zinc together because every man, woman, and child on  
 23 the planet should be taking this. And so since our  
 24 government isn't going to subsidize it, like the UK  
 25 Government did, I said, screw it, my company, Wellness

15

1 Warrior, is going to do it because we can and we have  
 2 the responsibility to do it. We're trying to help  
 3 people.  
 4 So here's what I'm giving you. You can have  
 5 a free bottle of zinc, a free bottle of D3. You can  
 6 go to -- right there at the bottom, just look at it.  
 7 It says, freevitamindeals.com, freevitamindeals.com.  
 8 You can get that, give it to your friends, give it to  
 9 your family, give it to your loved ones. Yes, it is  
 10 that simple. You know how simple it is? I've had  
 11 hundreds of thousands of people that have told us that  
 12 they've been on our protocols since the beginning of  
 13 this thing. They're not sick, they're not hurt,  
 14 they're not just -- they're not in fear. They're just  
 15 living life. It's ridiculous. It's ridiculous the  
 16 amount of, first of all, suppression of information  
 17 and the amount of stupidity that -- and ignorance  
 18 that's out there in the world right now.  
 19 They want to lock you down again. But if  
 20 you don't -- if you have your health and you have  
 21 faith and you have facts, you ain't going to get shut  
 22 down. You are not going to get shut down. Yes, you  
 23 -- we can send them all over the place. Go to  
 24 freevitamindeals.com. You go there and find it out.  
 25 We'll show you that.

16

1 And, number two, I'm giving you something  
 2 that I normally charge \$6- to \$700 for. In 90 days,  
 3 you can transform your health, completely transform  
 4 it. There's a transformational 90-day program. I'm  
 5 giving it to you for free. All you have to do is go  
 6 to that site, freevitamindeals.com -- that's  
 7 freevitamindeals.com -- and that will work.  
 8 Yes, you're right, Jennifer, our zinc works  
 9 because we put the quercetin, the quinine, the stuff  
 10 that's in the tonic water so it doesn't upset your  
 11 stomach. It's not difficult to do this and to do the  
 12 right stuff.  
 13 So here's the deal, if you don't want to  
 14 deal with all this four-to-six-week scare, this crap,  
 15 this shutdown, this lockdown, which hundreds of  
 16 thousands of my people haven't had to deal with  
 17 without -- listen to me, without knowledge, my people  
 18 will perish. That's what it says in the Bible and  
 19 that is so true now more than ever. But once you get  
 20 knowledge, you've got to have wisdom, and that's  
 21 taking action on this stuff.  
 22 Another thing, a lot of you guys are asking  
 23 that immune system boost that we talk about. That  
 24 immune system boost pack is unbelievable. It's  
 25 unbelievable how good this works. It's got the

17

1 quercetin in it, it's got the high-dose zinc in it,  
2 it's got the probiotics for the gut, 80 percent of  
3 your immune system comes from your gut. But most of  
4 us eat a western diet that's the standard American  
5 diet that keeps us sick, fat, and nearly dead, and  
6 we've got no freaking energy, none. None. You should  
7 stock up.

8 You know what people are saying? I heard  
9 people today when I was outside, they said, well,  
10 we're stocking up on cash, food, and toilet paper. I  
11 said, what about your vitamins? What about your  
12 vitamins? Do you have the right nutrients to keep you  
13 and your family healthy? You should. You absolutely  
14 should. If you're not, you're not prepared for this.  
15 That's why we put that Patriot Pack together, which  
16 apparently is a four-letter word. Apparently, if you  
17 love your country and stand up for your country and  
18 stand up against tyranny, that that's a four-letter  
19 word now. Are you kidding me?

20 Only -- listen, the -- the loud voices of a  
21 few are stomping out the truths of the many. And the  
22 truth will set you free if you'll let it, but you have  
23 got to put in the work. You've got to do the stuff.  
24 There's so much information that we give out every  
25 day, emails every single day, videos every day. But

18

1 you got to go to freevitamindeals.com to get the  
2 inspiration, the motivation, and the products you  
3 need, that guide -- that survival guide's there, that  
4 flu and cold and virus prevention and treatment guide  
5 is there. So is the T90 program. We'll give it to  
6 you for free.

7 All those vitamins, that D3 and that zinc,  
8 I'll give it to you for free. You got to pay for  
9 shipping and handling and that's it. I don't have  
10 control over the postage. I don't have control over  
11 that. But I'm giving you that stuff. I'm literally  
12 spending millions of my own company's money to get you  
13 the products you need. What are you doing to help  
14 your fellow Americans and your fellow people of this  
15 -- of this world? What are you doing? Nothing. You  
16 can at least share this video. You can at least save  
17 it. You can at least take that website and share with  
18 your friends. You need to reset your health. That's  
19 what I'm talking about.

20 This is not difficult. People need to pay  
21 attention, man. We need to get healthy. We need to  
22 lose weight. We need to fuel our body with the right  
23 nutrients so that we have energy to fight and vitality  
24 and vigor to think. That's the truth. That's the  
25 truth, man. And -- and I'm telling you, the truth

19

1 will set you free. I mean, the world is absolutely  
2 insane, but they're trying to see how much they can  
3 push you. And unless you push back, they're going to  
4 keep pushing you. And unless you have energy and  
5 health to push back, you got nothing. We're fat,  
6 sick, and nearly dead in our country and that's the  
7 reality. That is the truth and the whole truth and  
8 nothing but the truth.

9 So please go check out what I'm talking  
10 about. Go to freevitamindeals.com. That's  
11 freevitamindeals.com.

12 I can't believe Biden's COVID advisor says  
13 we're going to shut it down for another four to six  
14 weeks and that's going to fix our pandemic and fix the  
15 economy. How about we already did that, dummy? We've  
16 been doing it for a year. It didn't do nothing.  
17 You're doubling down? It's going to make it twice as  
18 worse. It's actually going to make it more than that.  
19 It's ridiculous.

20 I know social media blocks our videos.  
21 I get all that kind of stuff. That's why you got  
22 to go to our server, go to our site. Go to --  
23 listen, right now, I'm going to say it one more time,  
24 freevitamindeals.com. Go there. Share that with your  
25 friends and family. Go join the newsletter. Go join

20

1 the movement. We've partnered with other doctors and  
2 scientists and constitutional attorneys and survival  
3 (inaudible) to teach you how you can help yourself.  
4 At some point, all this social media stuff, I can  
5 promise you, is going to be gone, at least the way  
6 that we know it. You've got to be able to find us and  
7 communicate.

8 Because if we can't have -- listen, if we  
9 can't have freedom of speech, we can't have free  
10 exchange of ideas, we can't improve this world. We  
11 can't. They're trying to destroy you. They're trying  
12 to destroy your immune system by putting a mask over  
13 your face. They're trying to destroy your mind by  
14 feeding you crap all day long. They're trying to  
15 destroy your body by literally putting chemicals in  
16 the air, chemicals in the food, chemicals in your body  
17 and into your bloodstream.

18 The polyethylene glycol that's in this  
19 vaccine, somebody go Google that. Go look up -- go  
20 look up allergic reactions or human side effects of  
21 polyethylene glycol. It will blow your mind what's in  
22 this -- what's in this vaccine. The sad thing is your  
23 doctors don't even know what's in it, nor -- nor does  
24 anybody know that they can go to the CDC's website and  
25 they can see all the falsifications of the deaths and

21

1 they can also see -- they can also see the adverse  
2 reactions that the vaccine has.

3 Now, if you want that vaccine, you should be  
4 able to go to the front of the line and get it if you  
5 want it. But do you know what's in it? Do you know  
6 what it does? Do you know what it works? Did you  
7 know the vaccine doesn't stop the prevention of the  
8 disease? You understand that, right? It does not and  
9 will not and cannot stop the infection. It doesn't do  
10 that.

11 According to the CDC, the World Health  
12 Organization, NIH, Tony Fauci, Dr. Birx, our Surgeon  
13 General, the -- Moderna, Pfizer, they all said it will  
14 minimize the symptoms, which means minimize the  
15 disease, which means you don't have a disease unless  
16 you have symptoms. You understand that? They're  
17 getting you with words that you don't understand and  
18 you're used to the media spoon feeding you stuff.

19 But there's this thing called Operation  
20 Mockingbird. Look it up. The media has been bought  
21 and paid for for so long it's not funny. And you all  
22 know that. But most of you don't know where to go to  
23 do your research. So we put together programs that  
24 teach you how to do research, we got all these videos  
25 there, literally thousands of videos. I'm talking

22

1 we're doing two to three videos a day for the last 12  
2 to 14 months. It's all there.

3 You got to go join the movement. Go to  
4 freevitamindeals.com right now for that special offer.  
5 You guys can take advantage of that. Go do that reset  
6 -- that reset plan we talked about. Listen, my  
7 average person, in four to six weeks, four to six  
8 weeks, drops 20 pounds, four to six weeks. The  
9 average person over the course of 90 days, we've got  
10 people that have dropped 50, 60, 80-plus pounds. Go  
11 look at this thing. You need to learn how to get  
12 yourself healthy. Because once you're healthy, guess  
13 what you're not anymore? You're not at risk. If  
14 you're not at risk, you don't have fear. When you  
15 don't have fear, you're not running around with a mask  
16 over your face and, oh, God, the world's falling down,  
17 the sky's falling. No, it's not.

18 It's so simple. And I love and appreciate  
19 you guys. I thank you guys so much for -- for all the  
20 just accolades and thanks, but I'm doing what I know  
21 to do. That's all I -- listen, I'm a doctor. That's  
22 my job. My job is to teach, reach, help, and inspire  
23 as many people as I can. Doctor is Latin for teacher,  
24 and that's who I am and that's what I do.

25 But if you're okay with our economy getting

23

1 shut down, uh, the dollar completely being toast,  
2 resetting our economy and coming back as a Communist,  
3 socialist society, cool. I'm good with that if you're  
4 good with it. But I'm not okay with it at all and I  
5 can promise you crazy and amazing things are going to  
6 happen and you must have your health to enjoy it. So  
7 please don't re -- don't think about resetting the  
8 economy. Don't think about resetting your job. Think  
9 about the great American reset as resetting your  
10 health, because if you have your health, you have  
11 everything.

12 Health sickness is the number one cause of  
13 bankruptcy in the United States. Health sickness is  
14 the number one cost in the United States. You don't  
15 have to participate in that system, but you got to  
16 change what you're doing. It's like Albert Einstein  
17 said. If you continue to do what you've always done,  
18 you're going to always get what you've always gotten.  
19 This is not difficult. And, yes, you can, but now  
20 this is not -- this is no longer a luxury. This is a  
21 necessity. You must get your body reset to the proper  
22 weight. Our reset program will help you do that.  
23 That T90 program alone will teach you how to do that.  
24 It's free. Go get it.

25 You must have the essential nutrients in

24

1 your body, and it starts with D3 and zinc, the two  
2 most deficiencies on the planet. D -- in America, 50  
3 percent of all Americans are vitamin-D-deficient, 80  
4 percent of all black African Americans are deficient,  
5 70 percent of all brown-skinned Latino/Hispanic people  
6 are deficient. Do you see the correlation? And zinc  
7 is the number one mineral deficiency on the planet, so  
8 get the right products.

9 I'm giving them to you for free. You don't  
10 even have to go to the store and buy them. You don't  
11 even have to go on Amazon. I'm giving them to you for  
12 free. You pay shipping and handling. That's all you  
13 got to do. Get the reset plan so you can lose the  
14 weight. Get the immune boost pack because that's what  
15 keeps your immune system boosted.

16 And I know because I've checked the blood of  
17 hundreds of thousands of people over the past 20 years  
18 of being in health care, and I see their -- I see  
19 their -- listen to this, their CD4 levels go up, their  
20 CD8 levels go up, and their ratio behind it. Bet your  
21 doctor never checked you for any of those tests, bet  
22 they didn't, because the doctors don't even know.  
23 They don't have a clue.

24 That's what caused us to be sick in the  
25 first place, because the people who got us here sure

25

1 as hell ain't going to be the people to get us out of  
 2 it. Can I get an amen on that? Can I please just get  
 3 an amen on that?  
 4 So the reset now is resetting your health.  
 5 You've got to get your body the right weight, you've  
 6 got to get your body on the immune boost stuff, you've  
 7 got to get on the two most essential nutrients, that  
 8 D3 and zinc. You're an absolute fool -- and I mean a  
 9 complete fool if you don't do this.  
 10 And then get that free T90 class. Watch  
 11 those videos. Watch those videos. They can transform  
 12 your life and your family's life, and I know that  
 13 because it's -- we've done it for hundreds of  
 14 thousands of people already. And don't take my word  
 15 for it. Get it. All you got to do is pay shipping  
 16 and handling. It's cheap. It's free. Go and get it.  
 17 So all I'm going to say in closing is this.  
 18 I pray for you every day. I pray for America every  
 19 day. I pray for a reset of our health and our mind  
 20 and a renewing of our mind and I pray for joy and  
 21 peace and love and happiness and I pray for  
 22 transparency. And I pray for you and I pray for our  
 23 politicians and I pray for all of us not to just get  
 24 wisdom but to stop being so damn lazy because the --  
 25 the information's right there. But you're so used to

26

1 being spoon fed that crap. You're just used to being  
 2 spoon fed it. You got to start doing your own work,  
 3 and it starts now.  
 4 Now is the time. If you have the ability to  
 5 do something, ladies and gentlemen, you have the  
 6 responsibility to do it. And it is no longer a luxury  
 7 to take vitamins and nutrients and get yourself to a  
 8 right weight, it is a necessity. You have the  
 9 opportunity. My question to you is, are you going to  
 10 take advantage of that opportunity within the lifetime  
 11 of that opportunity?  
 12 Ladies and gentlemen, my name is Dr. Eric  
 13 Nepute. I love and appreciate you. Until we meet  
 14 again, God bless you, God bless America, God bless the  
 15 world. Bye, everybody.  
 16 (Video repeats.)
