AUTHORITY FOR MAINTENANCE OF THE SYSTEM:

Federal Employees Compensation Act (FECA), 5 U.S.C. 8101 et seq., 20 CFR 1.1 et seq.

PURPOSE(S):

To consider claims filed by employees and/or their survivors for compensation under FECA based on work-related injuries, and to maintain records concerning such claims. The FECA establishes the system for processing and adjudicating claims that the Commission employee and/or the Commission and other covered individuals file with DOL's Office of Workers' Compensation Programs, seeking monetary, medical and similar benefits for injuries or deaths sustained by the individual while in the performance of duty. The records maintained in this system are created as a result of and are necessary to this process. The records provide information and verification about the individual's employment-related injury and the resulting disabilities and/or impairments, if any, on which decisions awarding or denying benefits provided under the FECA must be based.
